READ the following

Letter from the General Superintendent, Public Works/Workshops, No: 569 W. dated 31st July 1883.

I have the honor to forward for favorable consideration a petition from J. W. Vanderputt* a metal turner of this workshop.

The facts stated in the petition are correct, and in the event of my being obliged to dismiss him I would beg to recommend him for a compassionate allowance of Rs 10 a month so long as he is out of work.

There is another metal turner *pay Rs 1-6 per day- G. Rebelio* whose case I think also merits special consideration on account of his long service viz from 1846 to 1863 as a turner in the Mint, and from 1866 up to the present time in the Workshop. Should it be necessary to dismiss this man I beg to recommend that he be allowed

a compassionate allowance of Rs 10 a month
so long as he is out of work.

Office Note from the Examiner L.W. Accounts
No: 488 dated 10th August 1883.

The pay of these men being
chargeable to "Works", they will not be entitled
to any pension or gratuity.

2 With the sanction of the
Secretary of State a compassionate allowance
may however be granted them with reference
to Section 134 of the Civil Pension Code.
Attention is also invited to Section 135 of the
Civil Pension Code.

Order thereon No: 2323-W of 17th Augt
1883.

With reference to Section
135 of the Civil Pension Code, the cases of
the men referred to in the foregoing
correspondence

correspondence should be submitted for consi-
deration in proper form on their being discharged
from the Service.
