GOVERNMENT OF MADRAS.

PENSION DEPARTMENT.

READ—the following papers:—

From the Director of Public Instruction, dated Madras, 17th July 1883, No. 4915.

ABSTRACT.—Submitting an application for gratuity on behalf of R. Subbarayar, late 2nd Master of the Government Middle School, Karūr.

Certificate and report from the Accountant-General, to the Acting Under Secretary to Government, Pension Department, dated Fort St. George, 23rd August 1883, No. A.D.J.-179.

Certified that qualifying service in superior grades has been duly proved for nine years and eight months, but that no gratuity would seem to be admissible under the strict letter of the rules of the Civil Pension Code for reasons stated below.

2. It will be seen from the history of service that the applicant was holding a permanent appointment up to 30th June 1876, when, owing to the reorganization of the Government Anglo-Vernacular and Taluk Schools sanctioned in Proceedings of Government, No. 132, dated 12th April 1876, Educational Department, he was transferred to an acting or non-pensionable appointment. The reason for the transfer is stated that because the applicant was neither a Matriculate nor a trained teacher, and that his qualifications as a teacher were much inferior to those required by the standard of his class. Trials were, however, given in order that he might pass the required test and be confirmed in his acting appointments, so as to render him eligible for counting the acting period of service towards pension. But the applicant failed to pass the examination, and he was in consequence removed from the public service. Section 51 of the Code prescribes that a pension may not be granted to an officer who has been removed on account of inefficiency. In the present case his removal is attributable not to his intentional negligence, but to the reorganization of the schools sanctioned by Government. Hence the Director in the accompanying letter recommends that the case should be treated exceptionally. There is no provision, however, in the Civil Pension Code under which a compensation gratuity can be granted in the present case.

ORDER—dated 10th September 1883, No. 811, Pension.

It is clear from the Director's letter that the applicant was dismissed for inefficiency by the Inspector of Schools whose action he confirmed. Under these circumstances no retiring allowance can be granted.

OFFICE OF THE DIRECTOR

PUBLIC INSTRUCTION,

Madras, 17 July

No. 4915

From

H. B. GRIGG, Esq., M.A.,

DIRECTOR OF PUBLIC INSTRUCTION,

Madras,

To

The Acting Secretary to Government  
Fort St. George.  
Through the Accountant General

SIR,

I have the honor to submit for  
consideration and order of Government the  
enclosed application for gratuity under  
Section 109 of the Civil Service Code  
behalf of R. Subbarayar late Master  
of the Government Middle School at  
Karnam.

2. The applicant was first entered in  
in September 1868 as School Assistant  
in the Subbarayar School Government  
School on a pay of Rs 6. but was not

then came on the Government establishment as he was paid from School fees.

He continued in this capacity till May 1865 when he was made Assistant Master on Rs 10 payable from imperial funds. This service also was not such as to count for pension or gratuity as Section 29 of the Pension Code restricts the qualifying for Superior Service to appointments carrying with them higher salaries than Rs 10. In November 1866 his pay was raised to Rs 15 and it is then that his real qualifying Superior Service began. He continued in this position till June 1876 or for 9 years and 7 months. On the reorganization of the Taluk Schools with reference to Government order dated 12<sup>th</sup> April 1876 No 100, Colonel Macdonald appointed him to act as 3 Master in the

the Sathyanarayana Taluk and he was then apparently deprived of any permanent posting in the Taluk or elsewhere as he was neither a matriculate nor a trained teacher, whom alone it was the policy at the time to appoint to Taluk Schools. For 3 months - July to September 1876 - it would appear that he was paid from School fees. The period should I think be treated as qualifying under Section 96 exception (a). On enquiring into the circumstances under which Subbaram lost all permanent posting in the Department Mr. Spaldham writes thus.

"You are aware that in 1876 a re-modeling of Government Taluk Schools took place and another of the Colleges and High Schools in Government order dated 18 May 1880 No 169 neither of which recognized individual interests and natural expectations of the

working

working men of the Department as like interests and expectations are usually recognized in reforms made in that Department. Permanent appointment has been made temporary, degradation has been implied and vicarious taken place not because it was contended that the Superiors deserved what was implied on them, but that qualifications were demanded from those individuals which had been neither obligatory nor considered material when they entered the Service of Government.

3. In October 1896 Mr. Madden appointed him Acting Second Master Sathyanarayana School on the same pay Rs 15. It appears that the Acting appointment was made on the understanding that he should be confirmed on passing the 4<sup>th</sup> grade Examination.

4. In 1898 Mr. Thompson passed the following order after Subbarayan had appeared twice for the 4<sup>th</sup> grade and failed:-

"In consideration of Subbarayan's long Service the Acting Director adopts Mr. P. Th. Swamy's Second Suggestion and will allow Subbarayan to retain his post for the present on condition of his presenting himself at the next Teachers' Certificate Examination."

2. If he fails again Subbarayan will either be sent as Third Master at some other taluk School or to the Normal School at Naticent as he is trained for the 4<sup>th</sup> grade.

5. On the abolition of the Sathyanarayana School in February 1899 and on the opening of a new School at Naras with the staff of the former School on the same salaries Subbarayan's position remained unchanged and he continued to act as a Second Master.

Stanning he was not present on a former examination

of the Karn School till 26 July 1880  
when Mr. Bradham dispensed with  
his services. The circumstances are thus  
stated by Mr. Bradham himself.

"I removed R. Subbaraya from his  
position because I believed it to have been  
determined to dispense with his services.  
Not prolonged inefficiency as represented  
by the state of his class and the school.  
I believed also that he merely held the  
post on a small salary with a superior  
man could be found. The time chosen for  
removing him was the breaking up of the  
Middle School at Tiruvannamalai and  
the necessity of providing for A. Venkata-  
ramana and others."

"At the time I moved the petition  
R. Subbaraya from his post I had not  
seen him at the Middle School, Karnu.

Had

9  
Had he been a man of somewhat Superi-  
or ability an appointment might have been  
found for him as 3<sup>rd</sup> Master in a Govern-  
ment 3<sup>rd</sup> grade Middle School, but this  
was hopeless and I concluded that he might  
as well go at once as at a later time.  
He was more than useless. He is now  
Headmaster Combined School, Nanganam  
on Rs 10 with proportionate grant.  
Since his removal I have been to  
Karnu and have seen him and his work.  
He seems to me to be simply incompetent.  
I should regret his re-employment in the  
Department but I should be glad if a  
gratuity could be conferred upon him."

6. Mr. Bradham's action in regard to  
Subbaraya although perfectly consistent  
with the deprivation in 1876 of his perma-  
nent posting was not strictly authorized

as

As the Director's last order in 1898 only  
required that if he should fail ultimately  
to pass the 6<sup>th</sup> grade he should be sent as  
3<sup>rd</sup> Master at some other taluk School  
or to the Normal School at Calicut to  
be trained. Mr. R. S. S. was however  
not aware of the Director's proceedings as  
stated by him in his letter dated 12 August  
1898 to 2865 and his action ought not  
therefore to be held to prejudice Subba-  
Rajagopal's claim for gratuity. Further in  
my proceedings on Mr. R. S. S.'s  
report which is the last order on the subject  
I observed, "The retention of R.  
Subbarajagopal in the Government Service  
seems to have been inadvisable. He  
should not however have been dismissed  
but requested to retire receiving any  
gratuity to which he may be entitled."

accordingly take the necessary steps for  
providing for him in the ordinary course under  
the Pension Code a gratuity if on examina-  
tion of his Service he appears entitled to  
it."

7. The present application is submitted with  
reference to this decision.

The circumstances of the case are exceptional.  
The applicant has had nearly 10 years quali-  
fying Service when his permanent appoint-  
ment was taken away from him and he  
was given an acting appointment without  
loss of pay. He remained in the acting  
appointment for 4 years till his Services  
were dispensed with in 1890. He had  
therefore a total Service of about 14 years  
and qualifying Superior Service of 10 years.  
His disconnection from the Service although

8. The Applicants Service Book is herewith  
forwarded. The delay in the submission  
of the application for gratuity is due  
partly to the petitioners having prepared  
appeals to the Department for reinstatement  
and partly to the application  
having been returned twice for provisions

**CERTIFICATE AND REPORT OF ACCOUNTANT GENERAL.**

1779 Certified that qualifying service in Superior Grades has been duly proved for 9 years and months; but that no gratuity would seem to be admissible under the strict letter of the rules of this Civil Service Code for reasons stated below:—

It will be seen from the history of service that the applicant was holding a pensionable appointment up to 30th June 1946, when, owing to the reorganization of the Government Single Despatch and Salt Works (sanctioned in proceedings of Government No 102 dated 12th April 1946 Educational Department, he was transferred to an acting or non-pensionable appointment. The reason for this transfer is stated that the applicant was neither a ~~matriculate~~ nor a trained teacher and that his qualifications as teacher were much inferior to those required by the standard of his class. Salts were however given order that he might pass the required Test & be employed in his acting appointment so as to render eligible for obtaining the acting period of service towards pension. But the applicant failed to pass the examination and he was consequently removed from the Salts Service Section 51 of the Code prescribes that a pension may not be granted to an Officer who has been removed on account of inefficiency. In the present case his removal is attributable not to his educational or linguistic, but to the reorganization of Salts sanctioned by Government. Would this Director in the accompanying letter recommends that case should be treated exceptionally there is no provision however in the Civil Pension Code under which a compensation gratuity can be granted in the present case.

It is clear from the Director's letter that the applicant was dismissed for inefficiency by the headmaster of schools whose action ~~was~~ confirmed. Under these circumstances an interim allowance can be granted. 12/30/83

note

see sec. 51 of Code. It is perfectly clear he was removed for inefficiency by Mr. Bradshaw the Director taking advantage of his inefficiency to get rid of him, 3 years later sought to get him a gratuity on the ground that such was not his intention. However such was the fact.
