GOVERNMENT OF MADRAS.

PENSION DEPARTMENT.

READ—the following papers:—

From the Acting Under Secretary to Government, dated 30th May 1883.

ABSTRACT.—Submitting an application for an invalid pension on behalf of David Lazarus, late Piece Work Compositor, Government Press, Madras.

Certificate and report from the Accountant-General, to the Acting Under Secretary to Government, Pension Department, dated Fort St. George, 11th July 1883, No. A.D.J.-130.

Certified that, subject to the remarks below recorded, qualifying service in superior grades has been duly proved for fourteen years one month and eighteen days, and that an invalid gratuity, not exceeding Rs. 136-11-0, equal to twelve months' emoluments calculated in the manner prescribed in the definition of the term "emoluments," is admissible under Sections 102 and 109 (*a*) of the Civil Pension Code.

2. On being required to justify the admission of the service rendered in the appointment of "Apprentice and Learner" towards pension on the superior scale, the Superintendent, Government Press, in his reply to this office reference, No. A.D.K.-53, dated 22nd June 1883, states that the applicant's case is analogous to that of Tholasy, disposed of in G.O., No. 291, dated 11th June 1877. Should Government with reference to this explanation be pleased to accept the applicant's service from 1st January 1861 to 12th January 1862, for pension on the superior scale, his total period of qualifying service will amount to fifteen years and two months, entitling him to a pension not exceeding Rs. 5-8-9 per mensem, equal to one-third average emoluments, under Sections 102 and 109 (*b*) of the Civil Pension Code. But, as such an acceptance would be opposed to the provisions of Section 61 of the Code, it is respectfully requested that the grant of the pension may be reported to the Government of India for information.

3. In accordance with Rule 4 under Section 130, the attention of Government is respectfully solicited to Section 65 of the Code.

No. 51.

With reference to his report, No. A.D.J.-130, of 11th July 1883, the Accountant-General is requested to ascertain and report what duties were actually performed by the applicant when he was designated an apprentice learner.

OOTACAMUND,
30*th July* 1883.

(Signed) J. D. REES,
Acting Under Secy. to Govt.

To the Accountant-General, with papers.

From H. F. CLOGSTOUN, Esq., Accountant-General, to the Superintendent, Government Press, dated Fort St. George, 8th August 1883, No. J.A.E.-132.

With reference to your letter, No. 1349, dated 28th June 1883, I have the honor to request that you will be so good as to explain, for the information of Government, the nature of the duties which were actually performed by D. Lazarus when he was designated an "Apprentice learner" from 1st January 1861 to 12th January 1862. If he had performed the duties of a Piece Work Compositor in the same way as a regular permanent servant of Government, please state why it was considered necessary to mention the appointment as "Apprentice learner" instead of as Compositor in the List of Scale of Establishment sanctioned for the Government Gazette Press.

From E. KEYS, Esq., Superintendent, Government Press, to the Accountant-General, dated Fort St. George, 1st September 1883, No. 1895.

In reply to your letter, No. J.A.E.-132, of 8th August 1883, I have the honor to state that D. Lazarus had been performing the duties of a Compositor prior to and after 1861. He was not bound by indenture to serve the Press Superintendent as an apprentice, which was the case with those who were actually entertained as such.

2. It is presumed that the then Superintendent, Mr. Smith, might have thought it undesirable to have any lower class of Compositors than the 5th on Rs. 15; hence those that were drawing less than that sum, though not Apprentices and Learners, were ranked under that designation.

No. J.A.E.-173.

Endorsement on the above two papers.

Transmitted to the Acting Under Secretary to Government, Pension Department, with reference to his endorsement, No. 51, of the 30th July 1883.

2. The endorsement and its enclosures are herewith returned.

Fort St. George,
5th September 1883.

(Signed) H. F. CLOGSTOUN,
Accountant-General.

Order—dated 18th September 1883, No. 845, Pension.

Under Sections 102 and 109 (*b*) of the Civil Pension Code (5th Edition), the Right Honorable the Governor in Council is pleased to grant to David Lazarus, late Piece Work Compositor, Government Press, an invalid pension of Rs. (5-8-9) five, Annas eight, and Pies nine per mensem, payable at Madras from 17th February 1883, in consideration of his qualifying superior service of fifteen years and two months.

2. Applicant's absence without leave for two months, from 1st August to 30th September 1882, has been commuted into leave without allowances under Rule 7, Section 93, of the above Code.

3. With reference to the question raised by the Accountant-General regarding the admission of service rendered by the applicant in the appointment of Apprentice and Learner towards pension on the superior scale, it is observed that the present case is analogous to that disposed of by G.O., 11th June 1877, No. 291, and that in this case also it appears that the applicant was not in fact an Apprentice and Learner when he bore that designation, but a Compositor. He is, therefore, entitled to count such service as qualifying on the superior scale, and as Section 61, Civil Pension Code, does not apply, no reference to the Government of India appears necessary.

Proceedings of the Civil Medical Board held at the Office of the Surgeon-General with the Government of Madras, on Saturday the 17 Feby 1883.

The Committee have carfully examined D. Lazarus, son of David a Compositor in the Govt Press. His age is, by his own statement, 49 years and by appearance about 55 years. We consider him to be completely and permanently incapacitated for further service of any kind in consequence of debility. and impaired vision

His incapacity does not appear to us to have been caused by irregular or intemperate habits.

SIR,

With reference to your application for Pension on behalf of David Lazarus, late a Piece Work Compositor, I have the honor to enquire why the applicant's service as Apprentice from 1st January 1861 to 12th January 1862 has been admitted towards pension on the superior scale while such service is declared by section 61 of the Civil Pension Code to be non pensionable. Assuming that this was done through an oversight, I beg to point out that the rejection of the above period of service would materially affect the applicant's claim to a pension and he would be entitled only to a gratuity.

Should you agree with me on the above opinion, I would request you to be so good as to revise the entries in columns 10 & 11 in the 1st page of the application.

I have the honor to be
Sir

SIR,

In reply to your letter No. 1DK/531 dated 22nd instant, herewith returned, I have the honor to draw your attention to Para 2 of G. O. Tholasy, late Piece Work Compositor, who was ranked as "Apprentice and Learner," though he was not one.

As

As the case of the applicant for pension, D. Lazarus, is analogous, I have admitted the period from 1st January 1861 to 12th January 1862 as Superior Service, and recommended him for one third pension, to which he is eligible.

Sir

With reference to your letter No 1349 dated 28 June '83 I have the honor to request that you will be so good as to explain for the information of Government the nature of the duties which were actually performed by D Lazarus when he was designated an "Apprentice learn from 1st January '61 to 12 January '62. If he had performed the duties of a Piece Work Compositor in the same way as a regular permanent Servant of Government, please state why it was considered necessary to mention the appointment as "apprentice learner" instead of as compositor in the List of Scale of Establishment sanctioned for the Government Gazette Press.

The Accountant General

SIR,

In reply to your letter No. $\frac{\text{I.A.C.}}{132}$ of 8th August 1883, I have the honor to state that D. Lazarus had been performing the duties of a compositor prior to and after 1861. He was not bound by indenture to serve the Press Superintendent as an apprentice, which was the case with those who were actually entertained as such.

It is presumed that the then Superintendent Mr Smith might have thought it undesirable to have any lower class of Compositors than the 5th on Rs 15, hence those that were drawing less than that sum, though not Apprentices and Learners, were ranked under that designation.

I have the honor to be,

Sir,

Your obedient Servant,

without allowances under Rule 7 Section 93 of the above code.

3 With reference to the question raised by the Accountant General regarding the admission of service rendered by the applicant in the appointment of Apprentice and Learner towards pension on the Superior scale ✻ ~~the Govt~~ ~~have already in G.O. dated 11th June 1877 No. 291 decided such service as qualifying on the Superior scale.-~~

~~4 Copy of these Proceedings will however be forwarded to the Government of India for information.-~~

✻ it is observed that the present case is analogous to that disposed of by G.O. 11th June 1877 no 291 & that in this case also it appears that the applicant was not in fact an apprentice & Learner ~~during~~ when

he bore that designation but a compositor. He is therefore entitled to ~~rank~~ count such service as qualifying on the superior scale & as sec: 61 Civil Pension Code does not apply no reference to the Govt. of India appears necessary.
