Copy of letter from the Executive Engineer Tinnevelly Division to the Superintending Engineer Sixth Circle. No. 222 dated 23rd August 1883.

With reference to your Endorsement No. $\frac{340\ I.N.}{18-8-83}$ on Examiner's No. 18156 dated to idem, I have the honor to inform you that on a previous occasion I asked the Collector of Tinnevelly whether the services of the Niranikars employed in his Deptt. will count towards pension, but that Officer replied that in his opinion the services of none of this Establishment will count towards pension. This I reported to you in my letter No 511 dated 22nd November /82 and the matter was soon afterwords referred by you to the Accountant General thro' the Examiner. The Accountant General stated "that the bills of the Establishment of a nature such as that referred to by the Collector of Tinnevelly in his letter No. 107 dated 5 April /82 are not audited by this Office and I am unable therefore to state with certainty whether the appointment of Neeranikeen on the Conservancy Establishment is one which fulfils all the conditions of qualifying service prescribed in the Civil Pension Code "Vide your Endorsement No. 715 T.N. / 15-1-83. Under these circumstances I think it unnecessary to refer the question again to the Collector.

20/960/T.N. 83

22/11-38

2. As regards the delay of 15 months in submitting the application I beg to inform you that the Neeranikeen was dismissed from service on the 31 March 1882 and on the 29 April the Collector was asked to verify his services. After repeated reminders I got the information completed only on the 17 May 1883. Hence the delay.

* In the Public Works Department, periods of service should be verified by the Examiner, P. W. Accounts, Section 84, Rule 2.
If the service claimed cannot be wholly verified from the records of the Accounts Office, reference should be made to the Head of the Office in which the Applicant states that he served during the period in doubt, Section 84, Rule 4; and if verification from this source also be not practicable, the applicant must furnish an affidavit on plain paper accompanied by such collateral evidence as may be procurable, *e.g.*, official certificates, and the evidence of contemporary employés, Section 84, Rule 5. If the latter course be adopted the authority receiving the application must invariably record his own opinion whether the service claimed has been established and should be admitted or not. Section 84, Rule 6.
The affidavit of the applicant and evidence of contemporary employés should contain information on the following points:—
(*a*) whether the applicant was in *permanent* employ of Government.
(*b*) whether there were any breaks in the continuity of his service and whether he was at any time absent on leave other than privilege; if so, the nature of such breaks and the duration of such leave of absence should, as far as possible be specified.
The Final Pension Application should not be submitted until the applicant is finally relieved, when it should be accompanied by the Last Pay Certificate prescribed in Section 85, C. P. Code.
