Certified that I have carefully examined Tulle mean son of Belam, a Lascar B. P. M. Cumban Subdivision.

21.7.82

His age is by his own statement 60 years and by appearance about 60 years. I consider Tulle mean to be completely & permanently incapacitated for further service in the Department to which he belongs, in consequence of debility and old age.

His incapacity does not appear to me to have been caused by irregular or intemperate habits.
