His age is by his own statement 44 years and by appearance about 50

I consider *Narisimuloo* to be completely

and permanently incapacitated, for further service of any kind in the Department to which he be-

longs in consequence of *being for many years in a weak and feeble state*
and a tendency to these since the 1st of 1881.

His incapacity does not appear to me to have been caused by irregular or intemperate habits.
