Letter—from

The SECRETARY to the GOVERNMENT of
FORT ST. GEORGE,

To

The SECRETARY to the GOVERNMENT of INDIA,
Department of Finance and Commerce.

Sir,

With reference to your Under Secretary's letter, No. 3106, dated 7th September, I am directed to refer you to the letter of the Surgeon-General with this Government, printed in Proceedings, No. 959, of this date, a copy of which is forwarded for your information.

2. The Medical Code, to which the Surgeon-General refers, was compiled in 1870 under the orders of Government, and in section IX, paragraph 32 thereof, it is laid down that medical apprentices and pupils who have been pronounced by the Medical college to be fully qualified for employment as assistant apothecaries and hospital assistants respectively are permitted to reckon as service for pension all time subsequently passed by them in the performance of the duties of those employments.

3. The occasions for the exercise of the rule will in practice be few in number, and His Excellency the Governor in Council would not recommend the imposition of any restriction which would have the effect of postponing the age at which medical students qualify for employment.

4. The Accountant-General's report will be found printed in G.O., No. 270, of the 3rd April, a copy of which is forwarded herewith.

I have the honor to be,
Sir,
Your most obedient servant,

I am directed to acknowledge the receipt, with your endorsements, Nos. 696 and 697, dated 7th August 1883, of the Madras Statements of Pensions and Gratuities for the quarter ended 30th June 1883, and, with reference to the remarks in column 11 against entry No. 1 in Statement VIII, to request that the Government of India may be informed under what rule or order the Government of Madras has allowed Mr. Ellamchetti Chandrayya, late second-class hospital assistant, Vizianagrum town, to reckon about thirteen months of his service before he attained the age of twenty-two years, as service qualifying for pension.

2. I am also to request that the Government of India may be favored with a copy of the Madras Accountant-General's report on the application for pension of the hospital assistant named above.

with Government of India letter, No. 3106, to be returned.

From Surgeon-General W. R. CORNISH, F.R.C.S., C.I.E., Surgeon-General with the Government of Madras, to the Secretary to Government, Pension department, dated Coonoor, 4th October 1883, T. No. 355.

In returning the letter of the Government of India referred with your endorsement, No. 57, dated the 22nd September 1883, I have the honor to state, for the information of the Right Honorable the Governor in Council, that hospital assistants who have been attested for the Military department begin to reckon service towards pension, not from date of completing twenty-two years of age, but from date of passing out of the Medical college. The rule is laid down in section IX, paragraph 32 of the Medical Code. E. Chandrayya, late second-class hospital assistant, was originally attested for the military service, and was probably on that account given the benefit of juvenile service, but this is a matter which is in the province of the Accountant-General to report upon.
