Sir

In returning the application for gratuity on behalf of Ra Vencatasawmy Naik, late a batta peon of your Court together with its accompaniments received for verification with your letter No. 576 dated 4 August 1883; I have the honor to state that his services as detailed therein except for the years 1874 and from 1876 to 79 have been verified with reference to the Annual Returns on record in this office and found to be correct. The Peons Lists of the Process service Establishment of your court for the excepted years are not forthcoming here, copies of which should therefore be furnished to this office, when submitting the final application, together with information on the following points

1 Why the several periods of leaves enjoyed by the applicant have been deducted as non qualifying while they count towards pension or gratuity in accordance with Section

94

94 of the Civil Pension Code, necessary
alterations should therefore be made
in the accompanying application.

2 Why the applicant who is
an Inferior servant has been recom-
mended for the grant of a gratuity
equal to 7 months pay while
according to Section 11(a) and Rule
4 under that section he would seem
to be entitled to not more than 3 months
pay reduced under the Provisos to Section

No. 651. Negapatam 22d August 1883.

From,

The Subordinate Judge of

To,

W. F. Grahame Esquire
District Judge of
North Tanjore

Sir

In retransmitting the application for gratuity on behalf of R. Vencatasami Naik late a batta peon of this Court together with its accompaniments forwarded to, and returned by, the Accountant General as also his last Communication dated 17th Instant, No $\frac{\text{IcAE}}{147}$, Pension Department, I have the honor to furnish the following information upon the two points touched upon by the Accountant General.

In No 1192

2. The several periods of leave enjoyed by the applicant, were excluded as non qualifying towards gratuity, because, under Clause 2 Section 94 of the Civil Pension Code, leave without allowances, may count if the whole amount of leave taken with or without allowances, does not exceed what might be given with allowances under the rules in Chapter X of the Civil Leave Code, and because, I believe that the applicant could not have been allowed the leave that he has had with allowances under the said rules.

3. Out of 2 years, 2 months and 11 days, the 5 periods of leave of one month and upwards are retained in Column 8 of page 2 of the application, because the applicant had not served the required period of 6 years when he applied for and obtained each of those leaves. The other periods of leave falling short of one month have been added to period reckoned as service taking them in the light of casual leaves. The necessary alterations have accordingly been made in the appropriate Columns.

4. The applicant is entitled only to 3 months gratuity and the necessary alterations have accordingly been made in the amount recommended to be awarded.

5. I have also forwarded extracts from the Pay sheets of the Batta Establishment of this Court for the periods referred

to

to in para one of the Accountant General's letter under reference.
