Notes

The applicant's service from 1860 to 1883 is made out by affidavit & statement of contemporary servants & the executive engineer thinks it established & the Examiner, P.W. accts thinks it is. This service only gives him R: 42 gratuity. But he also served from 1852 to 1860 & has sworn to this though he cannot produce any evidence of contemporaries. In the pension application the executive Engineer has signed "service established" But in that application the 8 years from 1852 to 1860 are admitted as non qualifying. Submitted the Exar. should call on the Ex: Engineer to state clearly whether in his opinion service for pension or for gratuity only is made out. 18-viii-83.

Certified that, should Government be pleased to treat the period of the applicant's services from 1st January 1860 to 31st March 1878 as qualifying inferior service on the strength of his affidavit, statements of two contemporary servants, and on the specific opinion of the Executive Engineer that "the service may be established and admitted," qualifying service in inferior grades will amount to twenty-three years and five months, and that an invalid gratuity not exceeding Rs. With reference to your letter, No. 183, S.E. 2nd, of the 30th August last, I have the honor to state that the Executive Engineer, Kistna Western division, is of opinion that the services of Gagulamudi Potadu, late tappal lascar, for the period from 1852 to 1860, should be admitted for pension, though he is not able to procure any collateral evidence to prove his service for that period, and that he has no reason to doubt the verity of his affidavit.

2. If the Government are disposed to view the case favorably, I beg to suggest that this service may be treated as "qualifying service."

3. The enclosures received with the above letter are herewith returned. The last pay certificate called for is also herewith sent.

Certified that I have carefully examined Gogulamudi Poladu

son of Gogulamudi Veeraya, Lascar D. P. W. H. District

His age is by his own statement 60 years and by appearance about 65

I consider Gogulamudi Poladu. to be completely and permanently incapacitated, for further service of any kind in the Department to which he belongs in consequence of old age & natural infirmity he is also enfeebled & has incipient cataracts in both eyes.

His incapacity does not appear to me to have been caused by irregular or intemperate habits.

1 Last Pay Certificate.

Sir,

With reference to your letter No 183: S.E. 2nd of the 30th August last, I have the honor to state that, the Executive Engineer Kistna Western Division is of opinion, that the services of Gōgulamudi Pōladu, late Tappal Lascar, for the period from 1852 to 1860, should be admitted for pension, though he is not able to procure any collateral evidence to prove his service for that period, and that he has no reason to doubt the verity of his affidavit

If the Government are disposed to view the Case favorably, I beg to suggest that this Service may be treated as "Qualifying Service".

3. The enclosures received with the above letter, are herewith returned. The last pay certificate called for is also herewith sent.

I have the honor to be,
Sir,
Your most Obt Servant.
