5TH NOVEMBER 1883, No. 997, PENSION.

GOVERNMENT OF MADRAS.
PENSION DEPARTMENT.

READ—the following papers :—

From the Commissioner of Salt Revenue, dated 9th August 1883, No. 9964.

Certificate and report from the Accountant-General, to the Acting Under Secretary to Government, Pension department, dated Fort St. George, 23rd October 1883, No. A.D.J.-289.

Certified that, should Government be pleased to accept the period of service claimed in the affidavit of the applicant on the strength of the evidence afforded by the testimony of contemporary employes, qualifying service in inferior grades will be duly proved for forty-two years and four months, and that an invalid pension, not exceeding Rs. 3 per mensem, equal to half-pay, will be admissible under sections 103 and 117 (b) of the Civil Pension Code, 5th edition.

2. The applicant's age, as calculated with reference to the date of birth given in the first page of the application and in the service book, is fifty-seven years, but the accuracy of this statement is open to doubt. The District Surgeon and the Assistant Salt Commissioner are of opinion that the applicant's age is sixty years or upwards, and that the formal medical certificate of incapacity for further service is not therefore necessary in this case. Hence the application has been disposed of with reference to section 103 of the code.

3. The delay in the submission of this application is explained by the Commissioner of Salt Revenue in his letter to this office No. 9964, dated 9th August 1883.

4. In accordance with rule 4, under section 130, the attention of Government is respectfully solicited to section 65 of the code.

ORDER—dated 5th November 1883, No. 997, Pension.

Under sections 103 and 117 (b) of the Civil Pension Code (5th edition), the Right Honorable the Governor in Council is pleased to grant to Pedapudi Thaminadu, late measurer, Balacheruvu factory, an invalid pension of Rs. (3) three per mensem, payable at Vizagapatam from 1st May 1881, in consideration of his qualifying inferior service of forty-two years and four months.
