Sir,

With reference to your official memorandum No. 61 A, dated the 29th. October 1883, I have the honor to state that from an old Register of Establishment for trunk Road No. I on the records of this Office, it would appear that service in the late Road Department was in some cases of a permanent character. The register shews that there has been an appointment of a Dy. Accountant on Rs. 35/per mensem for trunk Road No. 1. and as the period of V. Kristnasawmy Naik's services which cannot be verified from records, has been supported by an affidavit as required by the rules, it is probable that he was also emplyed as Dy. Accountant on the Establishment sanctioned for trunk Road No. 8, and that that appointment may have been permanent & pensionable.

2. In cases in which service in the Road Department was rejected by Government as nonqualifying, I am of opinion that their pay was met from Estimates of Works on which they were employed.
