GOVERNMENT OF MADRAS.

PENSION DEPARTMENT.

READ—the following papers :—

From the Commissioner of Salt Revenue, dated 30th June 1884, No. 4979.

Certificate and report from W. T. PIERCY, Esq., Assistant Accountant-General, to the Acting Under Secretary to Government, Pension department, dated Fort St. George, 31st July 1884, No. A.D.J.-195.

Submitted to Government. On the 25th February 1879 the applicant was considered to have forfeited his appointment through absence without leave, and he was in consequence out of employ for a period of 3 years 10 months and 15 days. On appeal the Board of Revenue in their Proceedings, No. 9717, dated 9th December 1882, observed that the punishment of dismissal inflicted on the applicant was severe, and they accordingly directed the Commissioner of Salt Revenue to reinstate him in the appointment from which he was dismissed, so that he might not be deprived of his claim to pension. On the 11th January 1883 he is shown in the application to have been re-entertained, but removed on the same day on the strength of a medical certificate, which did not establish his complete and permanent incapacity for further service. After some correspondence the Salt Commissioner has submitted this case again for disposal, supporting the claim by a medical certificate in the prescribed form, which is dated 16 months and 9 days after the date of the first certificate. Should Government be pleased to admit this certificate, the applicant's qualifying service in superior grades will be held to have been proved for 15 years 1 month and 23 days, entitling him to an invalid pension of Rs. 33-5-4 per mensem, equal to one-third average emoluments, subject to any reduction that they may think necessary to make owing to his character and past conduct being recorded as very indifferent.

2. The delay in the submission of the application is explained by the Commissioner in his reply to this office reference No. A.D.K.-59, dated 4th July 1883.

ORDER—dated 24th September 1884, No. 1008, Pension.

Under sections 106 and 113 (b) of the Civil Pension Code (6th edition), the Right Honorable the Governor in Council is pleased to grant to Petla Sambaya, late 2nd-grade sub-inspector, Calingapatam, an invalid pension of Rs. (33-5-4) thirty-three, Annas five and Pies four, payable at Chicacole, Ganjam district, from 19th May 1884, in consideration of his qualifying superior service of 15 years 1 month and 23 days.

2. In the circumstances reported by the Accountant-General, the proper medical certificate, which is dated 16 months and 9 days after the applicant ceased to work, will be accepted under section 132, rule 2, of the above code. The period from 11th January 1883 to 19th May 1884 will be treated as leave without allowances.

SEPTEMBER.

Pension.

Granting an invalid — of Rs. 33-5-4 per mensem to P. Sambaya, late sub-inspector, Calingapatam, Ganjam district.

19th May 1884

Certified that I have carefully examined Petla Sambayya, Son of Petla Mallamma, late Sub-Inspector Calingapatam.

His age is by his own statement 45 years & by appearance about 50 years.

I consider Petla Sambayya to be completely & permanently incapacitated for further service of any kind in the Department to which he belongs in consequence of Premature Old age & consequent Debility & that he cannot derive benefit from treatment.

His incapacity does not appear to me to have been caused by irregular or intemperate habits.

The first of these is the fact that the
 government has been unable to
 maintain a stable currency. The
 value of the dollar has fallen
 sharply since the war, and this
 has led to a loss of confidence
 in the government's ability to
 manage the economy. The second
 factor is the high level of
 unemployment, which has led to
 a loss of faith in the government's
 policies. The third factor is the
 high level of inflation, which has
 led to a loss of faith in the
 government's ability to control the
 economy. The fourth factor is the
 high level of government spending,
 which has led to a loss of faith in
 the government's ability to manage
 the economy. The fifth factor is the
 high level of government debt, which
 has led to a loss of faith in the
 government's ability to manage the
 economy. The sixth factor is the
 high level of government intervention
 in the economy, which has led to a
 loss of faith in the government's
 ability to manage the economy. The
 seventh factor is the high level of
 government regulation, which has led
 to a loss of faith in the government's
 ability to manage the economy. The
 eighth factor is the high level of
 government control over the economy,
 which has led to a loss of faith in
 the government's ability to manage
 the economy. The ninth factor is the
 high level of government ownership
 of the economy, which has led to a
 loss of faith in the government's
 ability to manage the economy. The
 tenth factor is the high level of
 government intervention in the
 economy, which has led to a loss of
 faith in the government's ability to
 manage the economy.

Proceedings of the Board of Revenue.

Dated 9 December 1882.

No. 9717 Miscellaneous

Read petition from P. Sambayya, late Salt Superintendent, Calingapatam, Ganjam District dated 23rd August 1882 and Reference thereon dated 12 September 1882.

Read also letter from the Commissioner of Salt Revenue dated 8 November 1882 No. 12,251.

Read also petition from P. Sambayya, late Salt Superintendent, Calingapatam, Ganjam dated 1st November 1882.

Resolution.

The Board are satisfied that the Salt Superintendent, P. Sambayya has behaved in an improper and incalculable manner in refusing to obey promptly the order of the Commissioner of Salt Revenue to proceed to Padarti. But in consideration of the fact that

Sambayya

Sambayya had served for 20 years before he, by his own action, placed himself in the position in which he now finds himself they are unwilling to sanction so severe a punishment as deprivation of Pension.

2. They therefore resolve to direct the Commissioner of Salt Revenue to put now in force the terms of their original decision, namely that R. Sambayya be restored to office, that is, the office he previously held at Calingapatam. This restoration to office will have the effect of restoring also Sambayya's eligibility for Pension under the Rules.

3. After this formal restoration, it is, of course, in the power of the Commissioner of Salt Revenue to transfer Sambayya to any post which in the interests of the Government service he thinks it best that he should hold.

Explanation for delay

On February 25, 1879, P. Sambayya was declared to have vacated his appointment as Superintendent of Salt Calingapatam as he had absented himself without leave and failed to produce Medical Certificate having reported sick. On appeal to the Board of Revenue he was ordered to be reinstated when he was posted as Superintendent Padarti which he never joined. What then took place, there is no record here to show, but on December 26, 1882 was received a Proceedings from the Commissioner No. $\frac{13934}{13-12-82}$ ordering his examination by the District Surgeon. I sent him to Berhampore. The enclosed is the Medical Certificate then given, on perusal of which the Commissioner directed that an application for pension should be submitted for him. This Proceedings reached me on the 14th March 1883 when I was in Camp. It was sent to Calingapatam whence Sambayya was ordered to send his Service Register. I returned to Chicaole on April 1, and had to leave it on the 25th Idem. Meanwhile both myself and the Office Establishment

Establishment were busily engaged in preparing the Administration Report, statements to accompany it, yearly Returns and Establishment Lists. Then the old records were searched and the Service Register verified from 1865 till he left the Department. Hence the delay in submitting the application.

OFFICE OF THE COMM. OF SALT REVENUE,
On Circuit, Vizagapatam.

Dated 12 April 1884

From W.A. Willock Esq.
H. W. BLISS, Esq.

ag. Commissioner of Salt Revenue,

To

E. Gibson Esq.,
Secretary to the Board of Revenue,
Madras.

Sir,

With reference to Board's Proceedings dated 5th February 1883, directing me to re-employ P. Sambayya late Superintendent of Balingapatam at a factory, I have the honour to inform the Board that orders were accordingly issued to the Deputy Commissioner, Northern Division, instructing him to find a place for him as second grade Sub-Inspector. Some delay occurred owing to his address not being known but on the 12th March 1884 the acting Deputy Commissioner issued an order posting him to the Perningudum factory. On the 17th March I received the following not very intelligible telegram from him "Board referred me to you entitled the factory Assistant Sub less grade pray

pension orders," which I take to mean that he considered himself entitled to an Assistant Inspector's post and desired that his application for pension should be resubmitted if he was not appointed as such overlooking the fact that he has been certified fit for further service. In reply I directed him to join at Ponnagudum by the next steamer, (he was at Chinnak at the time) on pain of forfeiting his appointment. I now learn that he has failed to do so up to date and have therefore treated him as absent without leave and dismissed him. I trust the Board will approve of my action in doing so. I report it as his case has been before the Board several times already and I have no doubt but that the matter will be brought to their notice again very shortly.

2. His conduct on this occasion is another instance of the insubordination and complete disregard of the orders of his superior which he has invariably shown since he left the Calingapatam factory on sick leave in February 1879. He was dismissed on

the 16th July 1879 for persistent disobedience to an order to appear before the Civil Surgeon Berhampore and obtain a Medical Certificate from him and was reinstated by the Board in their Proceedings dated 18 November 1880, Miscellaneous No 12712. He was then appointed Superintendent of Sadath but failed to join this appointment and was dismissed in consequence. He again petitioned the Board and was reinstated as the loss of his claim to pension was considered too severe a punishment for the offence. Being considered unfit for further service he was then sent to the Civil Surgeon for the purpose of obtaining the usual certificate but that officer did not consider him altogether unfit for work under the impression that the duties of a factory Sub-Inspector are comparatively light and might be performed by a man in his state of health. His pension papers were however sent in on this certificate but were objected to on the ground of its not being in the usual form. He was directed therefore on the 6th July 1883 to appear before the Civil Surgeon again.

for the purpose of procuring a fresh one but
in spite of repeated orders from the Assistant
Commissioner, the Deputy Commissioner and
Mr. Bliss, contumaciously neglected to do so
until the 12th December 1883. What has occurred
since has been already described. With
every desire to carry out the orders of the
Board and ^{avoided} ~~and~~ inflicting such a heavy
punishment as the deprivation of a claim
to pension already earned I submit that
his late conduct leaves me no alternative
but his dismissal.

FOR ORDERS.

Explanation of delay
August 28th 1883.

Letter to Rev.
9. 12th April 1884. no
2667.

The Assistant Commr. of
Salt says that on Feb. 25th
1879 the applicant was
declared to have vacated
his appointment
of Salt Insp. as he had
absented himself without
leave. The Commr. says
that he was dismissed on
the 16th July 1879 for per-
sistent disobedience to an
order to appear before the
Civil Surgeon and obtain
a medical certificate. Pro-
bly the order was passed
on the last-mentioned date
with effect from the first.
Applicant meanwhile ab-
sented himself in the
plea of sickness but
without producing a
certificate. — He ap-
pealed to the B. who thought
the punishment of dis-
missal too severe and
deeming that he had been
long out of employ, ordered
his reinstatement in Pro-
ceedings of 18th November
1880. No 12710 Misc. — The
Commissioner then appointed
him to be Superintendent of

Pedest, but he failed to join the appointment, claiming apparently to be restored to his former post of Kalingapatnam. The Commr. then dismissed him again. In August 1882 he again appealed to the Board, and the B^d while satisfied that he had behaved improperly in "refusing to obey promptly" the order to proceed to Pedest, nevertheless directed the Commr. to put in force the terms of their original decision, namely that P. Sambayya be restored to office, that is, the office he previously held at Kalingapatnam. The B^d at the same time remarked that the Commr. would afterwards be at liberty to transfer the applicant wherever he thought fit.

On this order the Commr. passed his proceedings of 13th Decr. 1882 to B934 directing the Asst. Commr. to cause applicant to appear before the Civil Surgeon. The Asst. Commr. received these proceedings on the 26th Decr. and the medical examination took place on the 11th January 1883. Meanwhile the applicant was not reinstated. The Civil Surgeon certified that

He says that the Commr.'s order directing the submission of pension applications reached him on the 14th March 1883. Till then he could not know whether it was intended to retire applicant in such a certificate or to retain him.

the applicant was not fit to perform the duties of a Sub-inspector in charge of Swamp guards but that he was fit for duty at a factory. This certificate was sent to the Commr. who on perusing it directed that the applicant's pension application should be submitted. Accordingly an application was prepared and submitted. The service book and pension application both state that applicant was reinstated and immediately retired on the 11th January 1883, the date of the medical certificate. That from the Asst. Commr.'s explanation of delay it would seem that he was never as a matter of fact reinstated at all, though ordered to be so by the Board.

The medical certificate above described was of course objected to by the Accountant. Genl in his letter of the 14th July 1883, and in consequence the Commr. issued an order on the 6th July directing the applicant to appear again before the Civil Surgeon. This he failed to do but again appealed to the B^d, who again ordered his re-employment on duty at a factory in their proceedings of 5th February 1884. In 1883. Orders were accordingly issued by the acting

Dip. Criminal. - party him
to the Pannagudam factory as
a sub-assistant inspector.
He appears to have objected
on the ground that he was
entitled to an assistant
inspectorship and to have
requested in case he was
not appointed as such,
that his pension papers
might be submitted.
In reply the Commr. ordered
him to join Pannagudam
to the next steamer, and
on his failing to do so
dismissed him once
more. He again he applied
to the D.O., who cancelled
the order of dismissal and
ordered the submission of
a pension application, appli-
cant having meanwhile
on the 19th May 1884 ap-
peared before the Civil
Engineer and obtained
a certificate of incapacity
in proper form.

The question now arises,
from what date is the pension
to be granted? Presumably
from the date of the last
medical certificate. In that
case how is the period from
11th January 1883 to 19th
May 1884 to be treated? Sug-
gested that it is regarded
as leave without allowances
under S. 134, C. 2, Code. There
is a further question whether
any reduction should be made
in the pension of Rs. 33-5-4
on account of "very inefficient
character". No particulars are
given, save those stated above
regarding character.
