24TH SEPTEMBER 1884, No. 1018, PENSION.

GOVERNMENT OF MADRAS.

PENSION DEPARTMENT.

READ—the following papers:—

From the Collector of Trichinopoly, dated 26th May 1884.

Certificate and report from W. T. PIERCY, Esq., Assistant Accountant-General, to the Acting Under Secretary to Government, Pension department, dated Fort St. George, 28th August 1884, No. A.D.J.-304.

Certified that qualifying service in superior grades has been duly proved for 21 years, and that an invalid pension not exceeding Rs. 83-5-4 per mensem, equal to one-third average emoluments, is admissible under sections 106, 113 (b) of the Civil Pension Code (6th edition). The calculations have been duly verified. The applicant was employed as Dewan to the Rajah of Venkatagiri State from 27th February 1876 to 4th March 1877, but he paid his pensionary contribution up to 28th February 1877 only. In explanation of the cause of non-payment for the period beyond that date he says that he received no pay from the foreign state from 1st to 4th March 1877. On the 13th March 1877, he resumed charge of his original appointment under Government, but was allowed no pay for the period of transit, viz., from 5th to 12th idem. Should Government be pleased to regard the period from 1st to 12th March 1877, during which he received no pay, as one falling under exception (h), section 100 of the code, there would be no interruption in the applicant's service requiring condonation. Otherwise, condonation of the break will be necessary to combine the past with the subsequent pensionable service.

2. The amount of pension proposed by the Collector differs from that which is recommended by this office. The difference, it is presumed, is due to an erroneous method of calculation of average emoluments adopted in the Collector's office.

3. The circumstances under which the medical certificate forwarded in support of the application is signed by the Zillah Surgeon, Nellore, instead of by the Surgeon of the district in which the applicant was employed, are explained by the Collector in the 3rd page of the application.

4. The delay in the submission of this application is explained by the Collector in the note at foot in the 3rd page of the application.

5. In accordance with rule 4 under section 134, the attention of Government is respectfully solicited to section 69 of the code.

ORDER—dated 24th September 1884, No. 1018, Pension.

Under sections 106 and 113 (b) of the Civil Pension Code (6th edition), the Right Honorable the Governor in Council is pleased to grant to Razugirdi Vencata-kristna Row, late Tahsildar of Trichinopoly taluk, an invalid pension of Rs. (83-5-4) eighty-three, Annas five and Pies four per mensem, payable at Nellore from 31st January 1884, in consideration of his qualifying superior service of 21 years.

2. With regard to the break in the applicant's service from 1st to 12th March 1877, the Government concur with the Accountant-General in his view that it falls under exception (h), section 100 of the above code, and does not need condonation.

CERTIFIED THAT (subject to the remarks below recited) qualifying service in { inferior superior } grades has been duly proved for 21 _____ years " — days; and that said service { pension gratuity } is admissible under Sections 106, 113 (b) of the Civil Pension Code. The calculations have been duly verified. This { pension gratuity } investigation is to be made by the Board of Pensions and Compensation from 27 February 1977 to 4 March 1977, but he paid his preliminary contribution up to 28 February 1977 only. In explanation of this award of non-payment for the period beyond that date he says, that he received no pay from the Foreign State from 1st to 4 March 1977. On the 15 March 1977 he resumed charge of his original appointment under Government but was allowed no pay for the period of transit viz from 5th to 12th March. Should Government be pleased to regard the period from 1st to 12th March 1977, during which he received no pay as one falling under Exception (b) Section 100 of the Code, there would be no interruption in the applicant's service requiring condensation. Otherwise condensation of the break will be necessary to combine this fact with the subsequent period mentioned above.

The amount of premium proposed by the Collector differs from that which is recommended by the Office.
The difference, it is perceived, is due to erroneous method of calculation of savings' involvement adopted in the Collector's Office.

The delay in the submission of this application is explained by the Collector in the note at foot with 33 pages of this application.

In accordance with Rule 4, under Section 134, the attention of Government is respectfully solicited to Section 6 of the Code.

Sir

Handwritten notes in left margin of page 2:
 You find let dated
 2. 1074 on letter to 317
 from to Secy of Trichinopoly
 Lt Col of Nellore

I in reply to the correspondence marginally noted I beg to submit the following

2. I have received two service registers. One of them is the original submitted by me to the collector of Trichinopoly before I left the district, and the other is an abstract copy thereof prepared and checked in his office subsequently. But the letter of the Trichinopoly by collector purports to give cover only to the letters and requires my signatures in col 9 of the 1st page and in col 7 of the 2nd page. Having applied my signatures accordingly I return both the registers.

3. My explanation is called for in regard to two apparent breaches of 1 day

in my transfer from North Arcot to
Bellone and of 5 days in my transfer
from Bellone to the Board's office.

4. In North Arcot I held the post
of Translator till the 14th August 1864.
and I received my pay at Rs 70 per
month up to that date in that district.
Having taken charge of the post of
Muzer Sheristadar in Bellone on the
29th Idhar I was entitled to draw from
the Bellone District transit pay at Rs 70
from the 15th to 28th. But I now find the
transit pay was calculated only from
the 16th omitting one day altogether. There
was evidently some mistake made
in the last pay certificate issued in
the North Arcot S^t, which, I regret,
did not strike me at that time.

5. In March 1867 I was transferred
to the post of 2nd Unconvenanted Assistant
in the Board's office. My Register is
now amended shows that I drew the pay
of Muzer Sheristadar of Bellone only.

up to 8th March 1867, and that of the
Board's office from the 15th Idhar. There
was a break of 6 days but
not of 5 days as noticed by the Deputy
Collector of Bichinopoly. A reference
to my original register will show that I
drew pay in Bellone up to 14th March 1867.
The entry to that effect in col. 10. will,
if incorrect, have been corrected by the
then Deputy Collector of Bellone who he
checked and made some notes in his own
hand immediately below that entry.

6. In both cases of my transfer from
North Arcot to Bellone and from Bellone to
the B^d Office, it will be seen that I joined
my new appointments within the period
prescribed as joining time. I can without
any hesitation declare that the stoppage of
pay on either occasion was not the result
of any fault of mine. I request therefore
that the last pay certificate may be
examined and the results communicated
to the Bichinopoly S^t. I further request
that the register and papers of that time

may be reached to see if there was any
order to stop the pay either in the
Board's office or in the district of Bellona
and North Arcot.

7 If the result of such references
show that the stoppage was a mistake
I beg that the pay due to me for the
7 days in question may be ordered to
be disbursed to me. If such claim
is not admissible at this distance of
time I request that these stoppages
may not be treated as arrears.

8 With reference to remarks made
in the Revenue Settlement central office
I beg to enclose a copy of my petition
to the Board No 2562 of 1860 and of their
resolution thereon dated 15th October 1860

In conclusion I beg you will be pleased
to forward this letter and the enclosures to
the collector of Trichinopoly together with
the results of your enquiry for such
consideration as he may deem

proper in submitting my application
for pension to Government.

I beg to remain

Sir,
With reference to your letter
No. 317 dated 5th ultimo, I have the
honor to return herewith the original
and the manuscript copies of the
Service Register of R. Venkata Krishna
Row, late Sahibdar of Trichinopoly,
duly signed by him in certain
columns of the manuscript copy
as requested.

2. From the explanation (herewith
sent with it three enclosures) offered
by Venkata Krishna Row touching the
two

No. 1153

two breaks in his service. It is observed
that the break of one day which
happened on his joining the appoint-
ment of Junior Secretaries of
Vellore, from the post of Translator,
North Arcot District, is due to a
mistake evidently made in granting
the Last Pay Certificate in the
North Arcot Collector's Office, which,
as he says, did not strike him there.
The mistake if there is any, cannot
be detected in this Office as the
Last Pay Certificate would have
been forwarded there sent up to the
Assistant General.
3. As regards the other break of
6 days (but 5 days as erroneously
stated in your letter) in joining
his existing appointment in the
Revenue Board Office, from
the post of Junior Secretaries,

Vellore, his explanation goes to say
that according to his original Service
Register he drew pay in Vellore
up to 14th March 1867, the entry thereof
would, if incorrect, have been corrected
by the then Treasury Deputy Collector,
Vellore, when checking the entries.
But from the Pay Abstracts of
this Office, nothing more can be traced
than that he drew pay in Vellore
only up to 8th March 1867 whereas
from the Office Copy of the Last
Pay Certificate then granted to
Venkatasubba Row, it is found
that he drew pay up to 28th February
1867 (a copy of which is also enclosed).
In this matter, I think the Pay
Abstract may be better relied
on than the Office Copy of the
Certificate.

Mr. Venkatasubbia Rao, in conclusion,
requests that if he had not drawn
pay for the 7 days, above referred to,
the same may now be paid to him
as the stoppage on either occasion
was not the result of any fault
on his part. It is evident that
on both the occasions in question
he was transferred on promotion
and joined the appointments at
due time, and his request in my
opinion therefore deserves favorable
treatment.

Chief Secretary
Sir, I have the honor to submit
for the orders of Government a
letter from the late Sheristadar
of this district R Venkatasubbia
Rao in which he states that he
is about to apply for pension
& requests that the period between
his dismissal from the Dewanship
by the Rajah of Venkatagiri
& his resumption of the office of
Sheristadar of this district, that
is from the 5th to the 13th March 1877
may be allowed to count for
pension.

2. When Venkatasubbia Rao
was made Dewan of Venkatagiri
he retained his appointment
as Sheristadar of Bellary

Balaji Row acted for him -
Subokanin problem. Accordingly,
when Venkata Krishna Row
ceased to be Dewan he reverted
to his appointment as Sherikadar
& there was no interval during
which he was out of employ.
Nevertheless as the Sherikadar's
pay was drawn by Balaji Row
& Venkata Krishna Row did not
apply for it there was an interval
during which he ceased to draw
pay.

3. I do not think this can be
considered a break in service.

SIR,

I have the honour to state that in
 the pension application on your behalf
 received from the Collector of Trichinopoly,
 it is shown that from 27th
 February 1876 to 14 March 1877 you
 were employed as Dewan to the Maharaja
 of Venkatagiri on a gross salary of
 Rs. 568-2-11 per mensem. The Treas.
 Deputy Collector Bellary certifies
 that you paid the pensionary contribu-
 tion at Rs. 68-2-11 a month up
 to 28 February 1877 only. I have
 to enquire therefore whether you
 continued to hold the dewanship
 beyond the 28 February 1877 paying
 to the British Government the pen-
 sionary contribution; if so, up to
 what date, and to which pensionary
 you

you remitted the contribution and when?

Should it appear that you ceased to draw any pay from the Venkataswami Estate from 1 March 1877 and consequently you withheld payment of the contribution from that date, the period of service claimed from 1st to 4th March 1877 would need to be rejected as non-qualifying for pension.

In reply to your letter marginally noted, and herewith returned as directed, I beg to state that I drew no pay from 1st to 4th March 1877.

In his letter quoted in G. O. No. 968 dated 27th September/80 the Collector of Bellary recommended that the break in my service from 5th to 13th March might be condoned, and I was pleased to support that recommendation. Mr. G. was evidently intended to recommend the whole period from 1st to 13th March/77 but in consequence of some ambiguity in my application to him, the mistake for 5th to 13th instead of 1st to 13th, appeared to have crept in.

I beg therefore that you to the 13th March ought evidently to have been
