Proceedings of the District Court of Godavery
dated 17th April 1884.

Read applications for gratuity
submitted by the District Munsif of Cocanada
on behalf of the Peons specified in the margin.

On a review of the application
and Service Register in each case the following
discrepancies have been found and the attention
of the District Munsif is drawn to them.

Peon.

Komaty Subbarayadu.

The applicant's service from 5th
November 1873 to 31st July 1883 is (9. 8. 28) and
the periods of suspension amount to 10. 15. Thus
leaving a qualifying service of 8. 10. 13. But
the District Munsif puts 8. 2. 25 as
'period reckoned as service'. The District Munsif
will state how he arrives at this figure.

It appears from the individual's
Service Register that pay was deducted on two
occasions (13 days in November 1874 and 4 days
in

in November 1878) for being absent from duty. As these periods must be deducted from the total service as those of absence without leave, the District Munsif must specify the date of commencement and termination of absence from duty on each occasion.

When the individual has been suspended on four occasions for neglect of duty, the District Munsif should state how he considers his character good as stated on page 3 of the application.

The total qualifying service of ^{Peon} 2. Kanithammattu Venkatarao the applicant from 5th November 1873 to 31st July 1883 is 9^y. 8^m. 26^d, but the District Munsif puts down 9^y. 3^m. He is requested to explain how he arrives at this figure.

The leaves taken by the applicant cannot be deducted from his total service as non-qualifying under Section 94 of the Pension Code.

The

The columns in the Service Register under the head "Signature of Officer" are left blank on the 1st and 2nd pages. They must be filled in.

^{Peon}
Bandaru Viranna

Personal marks given are not sufficient. Some more marks must be taken.

The leaves taken by the individual are not mentioned. If no leaves have been taken, a note is to be added to that effect in the Service Register.

^{Peon}
4. Potamsetti Rammamurayaru

The total service of the individual from 5th November 1873 to 31st July 1883 is 9^y. 8^m. 26^d, but the figure mentioned on the 1st page of the application is 9^y. 4^m. 1^d. The District Munsif should state how he has arrived at this figure.

The Service Register shows that one day's pay was deducted for being absent from duty in September 1877. The District Munsif must specify the day.

^{Peon}
5. Sitamsetti Sammi

The total service of the individual from

from 5th November 1873 to 31st July 1883 is
y. m. d.
9. 8. 26, but the figure put on the 1st page
of the application is 8. 1. 11. The District Munsif
is requested to state how he has arrived at this
figure. The Service Register shows that one
day's pay was deducted for being absent from
duty in October 1878. The District Munsif
must specify the day.

Amin.

The total period of the applicant's b. Sinnamiragu Gummayya
service from 5th November 1873 to 31st July 1883 is
y. m. d.
9. 8. 26, but the figure put down in the application
is 9. 1. 25. The leaves taken by the applicant must be
put down in the application.

Amin.

The District Munsif should state 7 Chippuri Narasayya
how he arrives at the figure 9. 8. showing the
total period of his service; whereas the service
from 5th November 1873 to 31st July 1883 comes
to 9. 8. 26. The Service Register shows that
for 2 days the applicant was absent without leave.

The

15

The District Munsif should specify the dates.

The District Munsif must ex-

plain how he arrives at the figure y. m. d.
9. 8. 26 to show
the total period of applicant's service, whereas
the service from 5th November 1873 to 31st July 1883
comes to 9. 8. 26. The District Munsif must
specify the days on which the applicant was
absent from duty, as stated in the Service Register.
The leaves taken by the applicant must be
specified in the application.

The District Munsif is re-

quested to explain how he has arrived at
the figure 9. 5. 25, to show the total period
of service, whereas the service from 5th November
1873 to 31st July 1883 comes to 9. 8. 26. The
leaves taken by the applicant must be speci-
fied in the application.

It is moreover observed that
in all the applications the District Munsif
has invariably included the service when the
Process

Amin.

8. Andra Vissamrao.

9. Hota Subbarayadu.

Process Service Establishment was paid by
fees. This is erroneous. It was an error
to have included it in the Service Register only.
The error must not be repeated in preparing
the applications for pension or gratuity.
Therefore the date of beginning of service
to be inserted on the first page of each
application will be the date from which the
applicant began to be paid by salary. On
the 2nd page the actual service from the said
date together with non-qualifying periods
and interruptions called by leaves and sus-
pensions must be distinctly shown. In the
case of inferior servants as authorized leaves
of absence count as eligible service they should
not be deducted from the total of service.

District Munsif's Court.

From

The District Munsif.

To

John Kelsall Esquire.

District Judge.

Godavari.

Sir,

In reference to the Proceedings of your Court of the 17th April last regarding the discrepancies in the applications for gratuity of the reduced Amins and Peons of this Court, they to submit the following explanation.

Peons

1. Komati Subba- 2.

Through inadvertance periods of leave without allowance were also deducted from total service and hence the difference. They are now included and the application is accordingly corrected.

Yours

3. In November 1874 and 1878 it would appear this individual having delayed the return of processes given to him to be served, his pay was deducted as a fine for the days he delayed in returning the processes and therefore it is difficult now to specifically state the particulars asked for.

4. Personally I know nothing against the man and from general reputation I believe his character to be good. If he was punished during his service for neglect of duty those offences for which an adequate punishment was awarded cannot I think, affect the question of a gratuity or pension to be allowed to him.

2. K. Venkatareddi - 5 The explanation offered in the previous case (para 2) applies.

3. B. Virannaiah - 6. Omissions are now supplied.
4. P. Hanumantharayasa - 7. See para (2). The days
5. S. Jammis - of

Amins

of absence cannot be specified for reasons stated in paras 3, 10 and 9.
6. P. Gummajja - 8. Omissions are now supplied.
7. Ch. Narasayya - 9. Dates are corrected.

Two days' pay was deducted in August 1877 as a fine for his having delayed execution of Orders. No particular date can be given; because the pay was deducted not for a specified date but only for any two days in the month.
8. Andra Vissamrao - 10. Dates are

corrected. No specific date of absence can be given, because the pay was deducted ^{not} for any particular period, but only for any 10 days in the month, and this was treated as a fine for his having delayed the execution of Court's orders.
9. K. Subbarayana - 11. ^{y. m. d.} 8. 5. 25 is not the total period of service.
