on our Supervision.

What became of him or in other words what was the cause of his getting or his name being removed from the Department?	He was so trustworthy man while he was employed as Peon under the late Mr. Bywater's Supervisor, then when Mr. Turnbull was Sub-Asst. Conservator of Forests he requested to have the services of this man who was accordingly transferred from the D.P.W. to the Forest Department.
Can you remember that he entered the Forest Department in 1865?	Yes. I remember that he entered the Forest Dept. but I do not remember the exact year.

Sir,

I have the honor to submit for sanction an application for gratuity on behalf of one Palamandy Pillai late a Ranger's peon in the Madura Forest Division.

2. The applicant commenced his service as Lascar in the D.P.W where the exact date of his appointment is not known as there are no records to verify the same. He appears to have joined that Department in 1856 according to his own affidavit, and the contemporary evidence given by his co-employees of that Department substantiates his service as Lascar up to 1865.

3. On the 1st December 1865 he joined this Department as peon in the Deputy Conservator's Office, Madura. On the 1st April 1876 he was transferred to the Forest Ranger's Establishment on the same pay and was suspended on the 1st

May.

May 1876 pending enquiry into a case of some suspicion regarding certain logs of timber in the Madura Forest Depôt where he was then doing duty. The enquiry could not be closed before March 1879 when the applicant was acquitted and ordered to retire. In the meantime the applicant's post was abolished (on the 1st September 1876) and his total service therefore amounts to 19 years, 5 months entitling him to a gratuity of 5 months' pay at Rs. 6 per mensem which I recommend for the sanction of Government.

4. The great delay in the submission of this application is explained by the Assistant Collector in charge of the Madura Forests to be due to the non appearance of the applicant and to the difficulty in verifying his service in the absence of the necessary records.

SIR,

With reference to the application for gratuity on behalf of Palaniandy Pillay, late a Ranger's Peon in the Madura Forest Division, received with your letter No. 2570 dated 14th Ultimo, I have the honor to state that the applicants name is not traceable in any of the Annual lists of Peons of the Madura Forest Establishment furnished to this Office for the years from 1866 to 1868 and from 1870 to 1875, and that the omission of the name leads this Office to doubt whether he held a permanent appointment during those years. The admission of the claim for gratuity entirely depends upon the Establishment of the entire period of services, and I request therefore that you will be so good as to cause proper enquiries to be made as to whether the applicant was actually

employed

employed on a permanent Establishment, and if so, why his name was not included in the returns furnished to this Office—

It should be explained what portion of the applicant's service is not capable of being verified from Office records, and the affidavit produced is returned herewith for revision— It should contain information as to whether the service claimed was rendered in a permanent Establishment, and whether there were any breaks in the continuity of his service, and if so, the nature and duration of them should be specified—

I have further to enquire whether the application should be regarded as one for a Compensation or an Invalid Gratuity— If the former, the amount of saving to Government effected in consequence of the abolition of the applicant's appointment should be stated, and if for an Invalid gratuity, it should be explained more fully why the incapacity was not certified by a Medical Officer on the date of the applicant's removal from the service.

Please transmit copies of correspondence in connection with the applicant's suspension from employment in 1876.

Sir,

In returning herewith the Accountant General's letter No. A D K dated 17 April last with its Enclosures, received with your letter No 236 of the 7 May last, I have the honor to inform you that peon Palaniyandy for whom invalid gratuity is applied for has been on the permanent Establishment and his name also is Entered in the Nominal Rolls of peons sent annually ranging from 1871 to 1874 as will be seen from the enclosed Copies of them. But in the Nominal Roll of 1875 Copy of

Copy of which is herein enclosed. his name has evidently by some mistake or other been omitted, for the names of 14 persons only have been entered instead of 15 as specified at its head. Moreover it appears from the records that he has received his pay for the period in question. As to certifying his service for the periods from 1866 to 1868 and also for 1870, no information is traceable from my Office records and so I have obtained a revised affidavit as desired from my Ranger Sobhier and sent herewith, from which it would appear that he has continuously been in service in the Permanent Establishment since he entered the Forest Depart. in December 1865.
