Rajahmundry 31st July 1884

From
John Kelsall Esquire,
District Judge,
Rajahmundry

To
The Accountant General,
Madras.

Sir,

In forwarding herewith the application for pension on behalf of G. Appakondu, late 2nd Clerk of the District Munsif's Court of Cocanada, I have the honor to inform you that the applicant retired from service on the 5th December 1883 and the date from which his pension is to commence is 6th of the same month.

The application for pension, was forwarded by the District Munsif of Cocanada with his arzi No 30 of the 10th March 1884. But as the information therein contained was found incomplete & incorrect,

a

a reference had to be made to the Munsif in the meantime. Hence the delay. Besides, the applicant served in various Courts in this District.

The accompanying copy of the Proceedings sent by this Court to the Cocanada Munsif will show the considerable trouble that has had to be taken for obtaining correct information with regard to the services of this individual extending over a long period of about 40 years.

The Service Register and other papers as per enclosed list are herewith forwarded. The District Munsif of Cocanada has been asked to send the last pay certificate and it will be sent to you soon after its receipt here.

I have the honor to be,
Sir,
Your most obdt. Servt.

Proceedings of the District Court of Godavery Rajahmundry Dated 20th December 1883

Read Argi from the District Munsiff of Cocanada No 107 dated 7th instant forwarding the Service Register of G. Appakondu, 2nd Clerk of his Court, for verification of his service from 1843 to 1852.

There are niether Pay abstracts nor annual lists of establishment in this Court before the year 1856. Hence there is no means of verifying the service in question. At the time of preparing the Pension application, the District Munsiff will take an affidavit from the individual for this service -

. Moreover it is to be observed from the service Register that Appakondu had no permanant appointment till 1st July 1853 and therefore his pensionable service

Counts only from this date, and not from 16th September 1863 when he was taken as Temporary Gumasta.

Sir,

In returning herewith the Service Register Extract of your Court's 2nd Clerk G. Appalkonda without verification, I have the honor to state that, although search was made for the records of the period during which he served as a Clerk of this Court i.e. from 1st July 1853 to 5th December /8 no record could be found. The only record by means of which the services of uncovenanted servants can be verified is, I think, pay-abstracts and Acquittance Rolls. But they had to be sent to the District Court, Godavari in former years i.e. up to 1874 and no copies of them forthcoming in this Court.

I have the honor to be,
Sir,
Your most obedient servant,

Sir,

With reference to my letter No 25 dated 25 January 1884, I have the honor to state that the late 2nd Clerk of your Court has since attended this Court and gave me some information regarding his services in this Court, & on examining the records, I find the following information:

1 - By the proceedings of the late Civil Court of Rajahmundry dated 24th February 1857, his salary was sanctioned to be drawn as 2nd Clerk of this Court from 6th December 1856."

2 - By office copy of a receipt dated 1st October 1862, rendered to the officer in charge of Treasury by the District Munsiff of Peddapore acknowledging the receipt of the salaries of this office to which this Appakondu then belonged, it appears that he drew as 3rd Clerk of the Court No 11, for the month of September 1862.

3 - By Proceedings of the late Civil Court dated 11th June 1863 G. Appakondu was appointed as acting 2nd Gumastah for two months vice D. Sivaramayya on leave; and this appointment seems to have

been confirmed by the same Court in its proceedings dated 22nd June 1863 on the death of D. Sivaramayya on the 9th of that month.

I have the honor to be,

Proceedings of the District Court of Godavery

Dated 17th April 1884.

Read application for pension submitted by the District Munsif of Cocanada on behalf of G. Appakonda, late 2nd Clerk of his Court.

On a review of the Service Register and Pension Application and upon a careful examination of the record in this Office the omissions and discrepancies hereunder noted, have been found, and the District Judge resolves to draw the attention of the Munsif thereto.

1. In the annual detailed list of Establishment sent to Accountant General in May 1864, the date of the Applicant's appointment as II Gumasta of the Peddapur Munsif's Court is given as 7th July 1863 whereas the entry in the Service Register and Pension application is 10th June 1863. This last date

date is also borne out by the Pay abstract for June 1863 which shows that the applicant received pay as II Gumastah from the 10th Idem. The District Munsif will explain this discrepancy.

2. The Leave Statement for May 1866 shows that the applicant was on privilege leave from 22nd to 26th Idem. This should be entered both in the Service Book and Pension Application.

3. The Pay Abstracts and Leave Statements for December 1866 and January 1867 show that the Applicant was on sick leave from 15th December 1866 to 13th January 1867. No entry to this effect is to be found in the Service Register and Pension Application. The omission must be supplied.

4. In the annual list of Establishment for 1867, the date of Appakondu's appointment as 2nd Gumasta of the Cocanada Munsiff's Court is put down as 16th February 1867. Like entries are made in the Service Register and Pension Application with regard to this appointment. But the Pay abstract for February 1867 shews that the applicant drew pay on the establishment of the Rodapur Court upto 16th as 2nd Gumastah of that Court and from 17th on the establishment of the Cocanada Munsiff's Court as that Court's 2nd Gumastah. The actual date from which pay was received must be considered to be the date of appointment. The District Munsiff will explain the discrepancy and give correct entries in the Service Register and Pension Application.

5 From the remarks contained in the Pay abstracts for May and June 1867 and from the leave statements for those 2 months it appears that Appakondu received no pay from 19th April to 30th June. He left the Court station during the recess of the Court which began on 19th April

and did not return to duty when the Court re-opened on 31st May, but applied for private affairs leave for 15 days and afterwards for an extension of 16 days and thus continued on leave till 30th June. His pay for April was drawn in May, but as he was at the time away from the station it was not paid to him but deducted from the Amount of the Salary Bill for May as one of the undisbursed Salaries. From the remark against this individual's name in the Leave Statement for May, it appears that half pay was intended to be paid to him for the whole period of his absence including the recess, after his return to duty, but in the Supplemental Pay Bill dated 19th July 1867, it appears that pay was drawn for him only from 1st to 18th April. As he received no pay from 19th April to 30th June, as thus pointed out, though he was granted leave the absence during this period must be considered as one "on leave without allowances" and must be entered as such in the Service Register and Pension Application. The

The District Munsiff will Explain why omission was made.

6. The attention of the District Munsiff is drawn also to the following discrepancies between the Service Register and Pension Application.

(1) The Service Register shows that the applicant was on leave on private affairs from 17th to 27th March 1881, and on leave without allowances from 13th to 18th August 1881. The Pension application does not contain distinct entries to show these leaves. From the form of Pension Application given on Page 105 of the Pension Code, the District Munsiff will find that the dates of Commencement and termination of each leave must be given in the Pension Application in the same way as those of an appointment. While this is the case a remark is merely added against the Entry specified in the margin that the period 2-11-24 (y. m. d) includes 11 days leave on private affairs. The required dates for this leave

2nd Gumasta in Cocanada Munsiff's Court on 20 Rs } from 1st April 1879 to 31st March 1882 } yrs. m. d 2-11-24.

and for the 6 days' leave on loss of pay inserted against the same entry are not given. Moreover the District Munsiff has entered 6 days' leave on loss of full Pay under "Period not reckoned as service" and included "11 days' leave on private affairs" under "Period reckoned as Service" — This is wrong — The District Munsiff will see from Section 93 of the Pension Code that no leave except privilege or subsidiary leave will count towards Pension. The District Munsiff should also rectify this error.

(2) It appears from the Service Register that the applicant acted as Head Gumastah from 23rd January to 31st March 1879. But there is no corresponding entry in the Pension application. The District Munsiff should have the omission supplied.

(3). The Munsiff's Signature is not given in Cols. 9 and 12 of the 2nd page and also in Col. 9 of the 3rd page of the Pension application.

37

(4) As it appears from the Service Register that the appointments held by the applicant before 1st July 1853 were acting and not substantive, they must be shown as such in the Pension application. Moreover the District Munsiff will see from the form of Pension application given in the Code that when the service of an individual is shown to commence from a particular date, any period during which he may be out of employ thereafter must be distinctly given. Now as the applicants' Service is shewn to commence from 16th September 1843 but as he was not continually in Employ from that date upto 1st July 1853, each period during which he was out of Employ must be distinctly shown in the Pension application under "Period not reckoned as Service" as otherwise the total period of [illegible]

"non qualifying service and interruptions" cannot be calculated.

(5). It is shown in the Service Register that the applicant was 4th Gumastah of the Rajahmundry Munsiff's Court from 1st July 1853 to 5th December 1856, but in the Pension Application it is said that he was on the Establishment of the Cocanada Munsiff's Court from 6th August to 5th December 1856, and pay drawn for this period in this latter Court only, but that he was doing duty in the Rajahmundry Munsiff's Court under the orders of the Existing Authorities. If this be the case his appointment as 4th Gumastah of the Cocanada Munsiff's Court must also appear in the Service Register.

(6). The date of termination of 2nd Gumastah in the Rodapur Munsiff's Court is given as 31st August 1862 in the Service Register and 31st August 1856 in the

Pension application. The latter seems to be a clerical error and it must be rectified.

(7). The Pension application should show the particulars of the orders according to which the salary of the 2nd Gumastah in a Munsiff's Court was raised from 14 to 20 and from 20 to 25.

(8). In the pay abstracts received in this Court the name of the applicant was sometimes shown as Appa-Kondayya and sometimes Appakonu. The District Munsiff should take affidavit from the applicant as to whether he was called by these two names.

The District Munsiff is informed that the services of the applicant from July 1862 to September 1874 have been verified by the records of this office. With regard to the services before July

1862, the District Munsiff should state in the Pension application how far he has been able to verify by means of office records.

District Munsiff's Court
Cocanada 23rd June 1884.

From
The District Munsiff.

To
John Kelsall Esquire
District Judge of Godavery

Sir,

With reference to your Proceedings dated the 17th April calling for certain explanation on the application of G. Appakandu for pension I beg to state that there are no records in this Court prior to 1874 for me to be able to offer an explicit explanation on the small discrepancies found from the several returns and being so situated and hence before preparing the application I forwarded the Service Register of the applicant to the District Court to be verified as the first years of his service were in that Court, but in your Proceedings dated the 20th December 1883 it was stated that there were no lists or abstracts to

afford

afford means for verifying his service and it was directed that an affidavit should be taken from the applicant which has been done. Appakoondu before coming to this Court served firstly in the District Munsiff's Court of Rajahmundry and then Peddapur. A reference was made to those Courts also and the information obtained was forwarded with the application.

(2) As regards the first discrepancy the date 10th June 1863 probably is the more correct one as it is borne out by the Pay abstract for that month.

(3) The leaves referred to in the 2nd and 3rd paras are entered as directed.

(4) With reference to the 4th para there does not appear to me a discrepancy of any significance. The date of appointment as 2nd Gumastah of this Court was the 16th February 1867 but perhaps as he served in the Peddapur Court till the 16th and did not join this Court till the following day, his pay up to the former date was drawn in that Court and from the latter date in this Court. The correction from 16th to 17th is made as required.

(5) The leave without allowance referred to in the 5th para is entered as required. The Records of this Court not furnishing the full information as that found in the para, the particulars were not known.

(6). The errors pointed out in the 6th para are rectified and other matters pointed out attended to. The affidavit required is forwarded.

(7) In conclusion I beg to say there are no records in this office prior 1862 to be able to verify the applicants' service more than what has been done.

I beg to remain &c

This is to Certify that I have Carefully examined Govindarajula Appakonda 2d Clerk of Cocanada District Munsiff's Court son of G. Malliah. His age is by his own statement 60 years and by appearance about 60 years. I Consider G. Appakonda to be Completely and permanently incapacitated for further service of any kind in the Department to which he belongs in Consequence of old age and Cataract rapidly forming. His incapacity does not appear to me to have been Caused by irregular or intemperate habits.
