GOVERNMENT OF MADRAS.

PENSION DEPARTMENT.

READ—the following papers:—

From the President of the Local Fund Board, Kistna district, dated 14th May 1884.

Certificate and report from W. T. PIERCY, Esq., Assistant Accountant-General, to the Acting Under Secretary to Government, Pension department (through the Board of Revenue), dated Fort St. George, 22nd August 1884, No. A.D.J.-281.

Certified that (subject to the remarks below recorded) qualifying service in superior grades has been duly proved for 25 years 9 months and 10 days, and that an invalid pension not exceeding Rs. 10 per mensem, equal to half average emoluments, is admissible under sections 106 and 113 (*b*) of the Civil Pension Code (6th edition). The calculations have been duly verified. It is to be observed that on the 16th March 1870 the applicant was degraded from an appointment the pay of which is Rs. 15 to an appointment the pay of which is Rs. 10 a month. The cause of reduction is stated to be due to neglect of duty. Presuming that the degradation will not be looked upon by Government as an interruption entailing forfeiture of the past service in superior grades, this office has regarded the applicant's service rendered up to 15th March 1870 as qualifying for pension—*vide* section 122 of the Civil Pension Code.

2. The attention of Government is requested to the remarks entered opposite to No. 5 in the third page of the application, in which is given explanation of the cause of retention of the applicant in service up to 14th January 1884, while the medical certificate declaring him to be unfit for further service is dated 13th January 1883. The service of the applicant subsequent to the latter date has, however, been rejected as non-qualifying.

3. It is further observed that the applicant's salary for service up to 31st December 1879 appears to have been paid from the General revenues, while that for the subsequent period was paid from Local funds. The proportionate debits of the pension to the two sources would be Rs. 8-0-5 to the former and Rs. 1-15-7 a month to the latter. But as the debit to the Local Funds is less than one-fourth of the pension, the whole amount might be charged against the General revenues—*vide* rule 1, section 87 of the Civil Pension Code (6th edition).

4. In accordance with rule 4, under section 134, the attention of Government is respectfully solicited to section 69 of the code.

Proceedings of the Board of Revenue, dated 3rd September 1884, No. 3279.

ORDER—dated 23rd October 1884, No. 1174, Pension.

Under sections 106 and 113 (*b*) of the Civil Pension Code (6th edition), the Right Honorable the Governor in Council is pleased to grant to Manury Venkata Kristnama Pantulu, late Sub-Overseer, Local Fund Engineering establishment, Guntúr

circle, Kistna district, an invalid pension of Rs. (10) ten per mensem, payable at Guntúr, from 14th January 1884, in consideration of his qualifying superior service of 25 years 9 months and 10 days.

2. The whole pension will be charged to Provincial funds. It is observed that rule 1, section 87, allows no option in the matter, as implied in the Accountant-General's report.
