vide remarks in column How verified on page 2 of the pension application. The period has, therefore, been clasped as qualifying inferior service. The applicant was promoted unfit for further service by the Civil Surgeon Rajahmundry on the 18th February 1884, in consequence of old age and general debility, and as his age according to the Medical Officers' statement had exceeded 60, no second medical opinion was obtained. His services are still retained with reference to rule 1 Section 109 Civil Pension Code (6th Edition). He also remarks against entry "Any other remarks on the 5th page of the pension application."

* In the Public Works Department, periods of service should be verified by the Examiner, P. W. Accounts, Section 84, Rule 2.

If the service claimed cannot be wholly verified from the records of the Accounts Office, reference should be made to the Head of the Office in which the Applicant states that he served during the period in doubt, Section 84, Rule 4; and if verification from this source also be not practicable, the applicant must furnish an affidavit on plain paper accompanied by such collateral evidence as may be procurable, e.g., official certificates, and the evidence of contemporary employees, Section 84, Rule 5. If the latter course be adopted the authority receiving the application must invariably record his own opinion whether the service claimed has been established and should be admitted or not. Section 84, Rule 6.

The affidavit of the applicant and evidence of contemporary employees should contain information on the following points:—

(a) whether the applicant was in *permanent* employ of Government.

(b) whether there were any breaks in the continuity of his service and whether he was at any time absent on leave other than privilege; if so, the nature of such breaks and the duration of such leave of absence should, as far as possible, be specified.

The Final Pension Application should not be submitted until the applicant is finally relieved, when it should be accompanied by the Last Pay Certificate prescribed in Section 85. C. P. Code.

CERTIFIED that I Surgeon, Edithard Levinge, Civil Surgeon, Rajahmundry, have carefully examined Mir Hussain son of Mir Nazarat Ali Cascar in the Public Works Department. His age is, by his own statement, Sixty one years, and by appearance about Sixty one years. I consider Mir Hussain to be completely and permanently incapacitated for further service of any kind in the Department to which he belongs in consequence of old age & general debility.

His incapacity does not appear to me to have been caused by irregular or intemperate habits.
