GOVERNMENT OF MADRAS.

PENSION DEPARTMENT.

READ—again G.O., dated 18th June 1884, No. 526, Pension.

READ—also the following paper :—

From D. C. GORDON, Esq., Examiner of Public Works Accounts, to the Secretary to Government, Pension department, dated Madras, 4th September 1884, No. 321 X.

With reference to the proceedings of Government in the Pension department, No. 526, dated the 18th June 1884, I have the honor to forward, herewith, for the information of Government, copy of letter from the Superintending Engineer, V Circle, No. 1822, dated 13th August 1884, explaining the circumstances under which Ethirajulu Naidu, late gumastah on the Imperial Petty establishment of the Presidency division, was transferred from qualifying to non-qualifying service.

2. Should Government, under the circumstances explained by the Superintending Engineer, consider that the applicant's case falls within the scope of section 100 (e) of the Civil Pension Code, and that that section empowers heads of offices to transfer men from qualifying to non-qualifying service without being required to retain a lien on their substantive appointments, the applicant's services from 1st February 1867 to 31st March 1870 may be admitted as pensionable on the superior scale, in which case he will have rendered a qualifying superior service of 8 years and 7 months, and will be entitled, therefore, to a compensation gratuity, not exceeding Rs. 200, equal to eight months' emoluments, under sections 104 and 113 (a) of the Civil Pension Code.

3. The Superintending Engineer, in the last paragraph of his letter above quoted, states that it was not intended that the gumastah (not maistry) should lose his lien on the petty establishment. Should Government concur in this view and consider that the applicant is entitled to count his services from 1st April 1870 to 17th October 1873, during which his pay was charged to works, and from 18th October 1873 to 31st December 1873, towards pension, the transfer having, as is observed, been ordered in the interests of the service, and not at the applicant's request, then, with the sanction of the Government of India, a compensation gratuity, not exceeding Rs. 300, equal to twelve months' emoluments, is admissible under sections 104 and 113 (a) of the Civil Pension Code for a qualifying superior service of over 12 years. In the latter case, a medical certificate, as required by section 103, rule 3, of the Civil Pension Code, will be necessary.

4. The enclosures received with the proceedings of Government, together with the affidavit and statements of contemporary servants referred to, are returned.

ENCLOSURE.

Copy of letter from the Superintending Engineer, V Circle, to the Examiner, Public Works Accounts, No. 1822, dated 13th August 1884.

With reference to your letter, No. 91-S.E., 5th, dated 2nd ultimo, I have the honor to inform you that Ethirajulu Naidu's transfer from "Establishment" to "Works" was made by order of the Executive Engineer of the Presidency division. The transfer appears to have been

made because the work on which the maistry was employed was of sufficient importance to bear the charge of a separate maistry, and another man could then be brought on to the "establishment" for supervision of other works. The transfer would probably not have been made had it not been that by the rules then in force service in the petty establishment was not pensionable.

2. When the maistry's pay could no longer be charged to the work, it was brought back to "Establishment," and it thus follows that it was not intended that the maistry should lose his lien on the "Petty establishment."

ORDER—dated 5th November 1884, No. 1207, Pension.

Under sections 104 and 113 (a) of the Civil Pension Code (6th edition), the Right Honorable the Governor in Council is pleased to grant to A. C. Ethirajulu Naidu, late gumastah, Petty establishment, Public Works department, a compensation gratuity of Rs. (200) two hundred, equal to eight months' pay, payable at Madras, in consideration of his qualifying superior service of 8 years and 7 months.

Sir,

With reference to the Proceedings of Government in the Pension Department No. 526 dated the 18th. June 1884, I have the honor to forward herewith for the information of Government copy of letter from the Superintending Engineer 5th. Circle No. 1822 dated 13th. August 1884 explaining the circumstances under which Ethirajulu Naidoo late gunastah on the Imperial Petty Establishment of the Presidency Division, was transferred from qualifying to non-qualifying service.

2. Should Government under the circumstances explained by the Superintending Engineer consider that the applicant's case falls within the scope of Section 100 (a) of the Civil Pension Code, and that that Section empowers heads of Offices to transfer men from qualifying to non-qualifying service without being required to retain a lien on their substantive appointments, the applicant's services from 1st. February 1867 to 31st. March 1870 may be admitted as pensionable on the superior scale, in which case, he will have rendered a qualifying superior service of 8 years and 7 months and will be entitled therefore, to a compensation gratuity not exceeding Rs. 200/ equal to 8 months' emoluments under Sections 104 and 113 (a) of the Civil Pension Code.

3. The Superintending Engineer in the last para of his letter above quoted states that it was not intended that the gumastah (not maistry) should lose his lien on the Petty Establishment. Should Government concur in this view and consider that the applicant is entitled to count his services from 1st. April 1870 to 17th. October 1873 during which his pay was charged to works, and from 18th. October 1873 to 31st. December 1873, towards pension, the transfer having as is observed been ordered in the interests of the service and not at the applicant's request, then with the sanction of the Government of India, a compensation gratuity not exceeding Rs. 300/ equal to 12 months' emoluments is admissible under Sections 104 and 113(a) of the Civil Pension Code for a qualifying superior service of over 12 years. In the latter case, a Medical Certificate as required by Section 103 Rule 3 of the Civil Pension Code will be necessary.

4. The enclosures received with the Proceedings of Government together, with the affidavit and Statements of Contemporary Servants referred to, are returned.

August 1884.

With reference to your letter No 91 S.C.
5th dated 2nd Ultimo, I have the honor
to inform you that Ethirajulu Naidoo
transfer from Establishment to Works
was made, by order of the Executive
Engineer of the Presidency Division.
The transfer appears to have been made,
because the work on which the Maistry
was employed was of sufficient
importance to bear the charge of a
separate maistry, and another man
could then be brought on to the
"establishment" for supervision of other
works. The transfer would probably
not have been made, had it not
been, that by the rules then in force,
service in the Petty Establishment
was not pensionable.

2. When the Maistry's pay, could no
longer be charged to the work, it was
brought

brought back to "Establishment" and
it thus follows that it was not
intended that the Ministry should
lose his lien on the "Petty Establish-
ment."
