To

His Excellency

The Governor in Council

Madras

My Lord

The humble memorial of

Junda Kaganra late from

District Munsiff of Guntur

I most humbly beg to submit the following
for your Lordship's kind consideration

I have been a servant of about 50 years
standing having discharged my duties to the utmost
satisfaction of my superiors

The copies of my testimonials herewith
submitted speak for my character and diligence in
duty

I have three captured & escaped convicts
nearly at the cost of my life

Mrs. Long the late Civil Judge of Guntur
Jellal Court recorded in proceedings dated 23rd 1835
that I captured a convict in calendar case no 16 of

1835

The same judge in his proceedings

dated 6th October 1835 that I was a careful
and hard working man.

Having become an old man I have been
thrown out of service.

To my misfortune I have not been
recommended either for pension or grand
duty.

I am a man of a large family (10 sons)
which solely depends on me.

One works in youth with a hope of reward
in old age, which the British Government does
not overlook to pay him, considering his services.

I have fallen an exception to the above
stated favour. I am a poor man and also an
old one. My salary was 7 rupees.

Under these circumstances I in conclusion
beg your Lordships to be pleased to peruse
the papers connected with my case and confer
some pension or grand duty.

27th December
1835

I beg to remain

Very truly

Your Lordships

Most humble servant

Adverting to your endorsement No. 2
on a petition presented by one Goodu Nagamma
late a Process Server in the District Moon-
siff's Court at Guntur, I have the honor
to inform you that Mr. Cunningham, late
District Judge, during the inspection of the
District Moonsoiff's Court at Guntur in
October 1883, found the Petitioner & some
other Process Servers to be too old to dis-
charge their duties efficiently and ordered
that they should either resign their ap-
pointments in favor of their sons or other
near relatives, or produce a medical cer-
tificate as to their physical fitness for
further duty.

The Petitioner adopted the former
course & resigned the appointment in
favor of his nephew, who was appoint-
ed a Process Server in his stead.

No application for gratuity or

for his order.

pension was made by the Petitioner & no

The above circumstances were not

In answer

The D. Judge reports that the petitioner resigned his appointment on condition that his nephew should be appointed process server in his stead. Under s. 97. C.P.C. resignation entails forfeiture of post service & it appears to have been the intention that the appointment of the nephew should be conditional on the resignation & consequent forfeiture of service. Other request. Whether under these circumstances, the D. Judge should be directed to submit a pension application or not.

I submit that the petition should be rejected. It is one of the common cases in which attempt is made to get both W. & Pension.
