5TH NOVEMBER 1884, No. 1210, PENSION.

GOVERNMENT OF MADRAS.

PENSION DEPARTMENT.

READ—the following papers:—

From the Collector of Trichinopoly, dated 23rd April 1884, No. 1343.

Certificate and report from W. T. PIERCY, Esq., Assistant Accountant-General, to the Acting Under Secretary to Government, Pension department, dated Fort St. George, 11th September 1884, No. A.D.J.-349.

Submitted to Government. It will be seen from the history of service detailed in the second page of the application that the applicant served in appointments on inferior grades for a period of about 15 years, and in an appointment on superior grade for 10 months and 3 days up to 30th September 1861. On this date he was transferred to an establishment paid from the Irrigation Cess fund for employment as Korambu amin on a monthly salary of Rs. 25 in which appointment he served for 21 years till he was invalided.

2. The above fund was originally formed out of a small cess in money levied from ryots on each cawny of land irrigated, and it was appropriated for the payment of the salaries of persons employed on permanent establishments maintained to perform the necessary work of irrigation. In their order, No. 1623, dated 13th August 1861, Revenue department, Government observed that it was not necessary that the accounts connected with the irrigation cess should pass through the Audit office, but that the monies realized should be considered as a special fund, the accounts connected therewith being reviewed by the Board of Revenue. The Irrigation Cess fund has been ordered to be included in the list of Incorporated Local funds by Government in their order, No. 2296, dated 20th December 1878, Financial. It is now a question for the consideration of, and decision by, Government whether the service rendered in an appointment similar to that held by the applicant should be declared to be pensionable from that fund or not. If the question be decided in the affirmative, it may be assumed that the applicant has served out the period of service sufficient to justify the grant of a pension equal to one-third of his average emoluments. But the Board are, however, of opinion that the service is non-pensionable inasmuch as the Government have not declared, under section 86 of the Civil Pension Code, that such service qualifies for pension.

3. The Collector states that the applicant's transfer from pensionable service of Government to non-pensionable Local Fund service was made on public grounds only, and not in his interest or at his request. He further states that the applicant was not told that he was being transferred to a department maintained by a special Local Fund. Keeping this in view, it is for Government to decide whether the applicant's case should be treated exceptionally to the general rules.

4. Should Government, however, be pleased to decide that the applicant's service rendered subsequent to 30th September 1861 should be rejected as non-pensionable, but that such rejection should not be viewed as an interruption entailing forfeiture of past service, he may then be granted a gratuity, equal to five months' pay, or Rs. 100, for the combined period of inferior and superior services of 15 years 11 months and 16 days, which remained at his credit on that date.

5TH NOVEMBER 1884, No. 1210, PENSION.

ORDER—dated 5th November 1884, No. 1210, Pension.

Under the note under rule 1, sections 110, 121 (a) and 122 of the Civil Pension Code (6th edition), the Right Honorable the Governor in Council is pleased to grant to Trichinopoly Saminatha Pillai, late revenue inspector, Kuthitalai taluk, Trichinopoly district, an invalid gratuity of Rs. (100) one hundred, equal to five months' pay, payable at Trichinopoly, in consideration of his qualifying combined inferior and superior service of 16 years 11 months and 16 days up to 30th September 1861.

Dated 13th May 1884
No 4202. Miscellaneous

Read letter from the Collector of Trichinopoly
dated 23rd April 1884 No 1343.

Resolution:—

Submitted for the orders of
Government.

2. The Board are clearly of opinion that Service in the Channel Establishment paid from the Irrigation Cess Fund gives no title to pension. Government have not declared under Section 86 of the Pension Code (6th Edition) that Such Service qualifies and it is further doubtful whether the Section could be so applied, the Cess being a voluntary one and therefore not a permanent source of income as contemplated in G.O. dated 3rd September 1877, No 2629, Revenue Department.

3. Saminatha Pillai, however, seems

to be entitled to a gratuity of 5 months
pay for his service in the Imperial
Establishment and for this the Collector
may submit an application to Govern-
ment through the Accountant General.

The Secretary to the
Board of Revenue
Madras

Sir,

I have the honor to submit an appli-
cation of one Sivaminatha Pillai, Korambu
Superintendent of the Trichinopoly Taluk
who was compelled to retire on account of
old age. The history of his service is briefly
as below.

2. He entered Government Service
in October 1845 as Karkon, an appointment
corresponding with that of a Revenue Inspector
of the present day, on a salary of 7 Rs.
and after some promotion was appointed
to a Revenue Inspector's post in November
1860. on 20 Rs. In October 1861, he was
appointed to the Korambu Amnship on
Rs. 25 per mensem.

Rev. 31/10/84

In the order issued to him appointing him to the above post Mr. Mc Donnell, the then Collector, puts it as a promotion. He was not told that he was then, being transferred from Government Service to a Department which was maintained maintained by a Special Local Fund (Irrigation or voluntary Cess fund levied under G.O. No. ²⁸⁶ 110 ¹⁰³⁷ 1623, and G.O. No. ²⁶⁹⁹ 2699 ¹⁵⁻¹¹⁻¹⁸⁶⁷ 15-11-1867)

He was neither given an option to take it up or decline. He was since promoted to the Korambu Superintendentship on Rs. 30 and made to retire on the 30th of June 1883 being unfit for further service.

3. He has now put in an application for pension from that Special Local Fund. The appointments held by him for the first 15 years under Government were of Inferior Service. It was only for ten months that he drew Rs. 20 per mensem as a

Revenue Inspector in the Imperial Line. He is therefore not entitled to any pension for the period he served in the Imperial Line. Since his transfer to the Korambu or the Special Local Fund Department he has served for a period of 21 years and 7 months. The total period of his service both

2 P 111

both in the Imperial Line and in the Korambu Department amounts to 37 years and 8 months and 16 days. There has been no break in the service

4 Under Section 96 (c) of the Civil Pension Code, I think the applicant has not forfeited his previous service in the Imperial Line, because his transfer to the Korambu Department was made by a competent authority, the Collector. He is entitled to no pension for the period he served in the Imperial Line, but I think his case is one that deserves some leniency, and I would recommend for favourable consideration a gratuity of one year's pay from the Irrigation Cess fund i.e. Rs. 360—

SIR,

With reference to your application for gratuity on behalf of Trichinopoly, Saminthe Pillay, I have the honor to state that, from the copy of the Proceedings of the Board of Revenue, No. 2165, dated 23rd May 1884, furnished, I understood that the applicant ceased to be employed as Revenue Inspector Thilalai Taluk on 30th September 1861, on his transfer to the Channel Establishment paid from the Irrigation Dept Fund. If I am correct, I would request you to be so good as to exhibit in the 2nd page of the application, his services in that Establishment from the abovesaid date in full detail, and to explain the grounds on which the transfer was made.

Jf

If the transfer was sanctioned on public grounds and not in the interests of the applicant, a copy of the authority if any under which it was so made should be furnished. otherwise the claim for gratuity should be supported by proper grounds.

I beg to observe that the several appointments shown in the history of services and stated to have been held by the Applicant prior to 29th November 1860 are not traceable in the Annual Returns; and it is doubtful whether these appointments form a portion of the duly sanctioned establishments of the Revenue Department of the Trichinopoly District.

Please narrate the history regarding the termination of the Applicant's service under Government.

As surmised, the applicant ceased to be employed as Revenue Inspector, Kullitalai, on 30 Sept 1861 on his transfer to Channel Establishment paid from the Irrigation cess Fund. His services in that Establishment have been, as directed, exhibited in the 2^d page of the Pension application. From the records I understand that his transfer to Korumbe Establishment was made on public grounds only that in the interest or at the request of the applicant. Copies of orders sent by the late Collector Mr. Mc Donnell to the Tahsildar of Kullitalai & to the applicant himself regarding his transfer are enclosed. As the pay of the applicant prior to 28th November/60 as Karkoon and Pishkar was less than Rs 10 the total numbers and amounts of the salaries of those officials alone were, as was then usual, shown in the Annual returns. His name has however been distinctly shown in all the monthly pay abstracts of the Sanctioned Revenue Establishment of this District from October 1845 to November 1860. There is therefore no doubt that the several appointments held by him during that period form a portion of the above Revenue Establishment.

Submitted to Government. It will be seen from the history of service detailed in the 2^d page of the application that the applicant held an appointment in Inferior grade for a period of about 15 years and in an appointment in Superior grade for 10 months and 13 days up to 30 September 1881. On that date he was transferred to an Extraordinary grade from the Irrigation Civ. Trust employment as Haramboe Amos on a monthly salary of \$125.00 in which appointment he served for 21 years till he was discharged.

The above Fund was originally formed out of a small Cess in money levied from Egypt on each Canvey of land irrigated, and it was appropriated for the payment of the salaries of persons employed on permanent Entitlements, &c. maintained to perform the necessary work of irrigation. In an order No 1623 dated 13 August 1861 Revenue Department Government observed that it was not necessary that the accounts connected with the irrigating Cess should pass through the Audit Office, but that the monies realized should be considered as a Special Fund the account connected therewith being reviewed by the Board of Revenue. The Irrigation Cess Fund has been ordered to be included in the List of Incorporated Local Funds by Government in their order No 2296 dated 20 December 1878 Financial. It is now a question for the consideration of and decision by Government whether the service rendered is an appointment similar to that held by the Applicant should be declared to be pensionable from that Fund or not. If the question be decided in the affirmative, it may be assumed that the applicant has served out the period of service sufficient to justify the grant of a pension equal to $\frac{1}{3}$ of his average emoluments. But the Board are however of opinion that the service is not pensionable in as much as the Government have not declared under section 86 of the Civil Servants Act that

The Collector states that this applicant's trappings, from personal service qualifications for pensioning, to avoid pensionable Local Fund service was made on public grounds only and not in his interest or at his request. He further stated that the applicant's witness told that he was being transferred to a Department maintained by a Special Local Fund. Keeping this in view, it is for Government to decide whether the applicant's case should be treated exceptionally to the general rules.

I should have no more business to decide that the application for service rendered subsequent to 30th September 1861, should be rejected as non-provisionable, but that such rejection should not be viewed as an interruption entailing forfeiture of past Service; he may therefore grant a gratuity equal to 5 months pay or £25. 100 for the combined period of Superior and Superior Service of 15 years and 16 days, which remained at his credit on that date.
