5TH NOVEMBER 1884, No. 1214, PENSION.

GOVERNMENT OF MADRAS.

PENSION DEPARTMENT.

READ—the following papers:—

From the Inspector-General of Police, dated 26th December 1883, No. 6654.

Certificate and report from W. T. PIERCY, Esq., Assistant Accountant-General, to the Acting Under Secretary to Government, Pension department, dated Fort St. George, 3rd October 1884, No. A.D.J.-411.

Submitted to Government. The appointment of waterman to the Police hospital, Bezvada, on pay of Rs. 5 a-month, was sanctioned by Government in their order, No. 670, dated 20th March 1875, Judicial department. In paragraph 2 of that order Government observed that the pay of the appointment should be met from the savings of the police. It is not definitely known whether the Government intended that it should be regarded as a permanent and pensionable appointment. The opinion of the Inspector-General of Police on this point was solicited; but that officer simply communicates the opinion of the District Superintendent of Police which shows that the applicant was regarded as one of the permanent and pensionable establishment of Government and that he devoted his whole time to the service of Government as waterman. Keeping these in view, should Government be pleased to declare it to be regarded as pensionable appointment, the applicant's service in inferior grades might be held to have been proved for 8 years 6 months and 13 days, and an invalid gratuity not exceeding Rs. 15, equal to three months' pay, would be admissible under sections 106 and 121 (a) of the Civil Pension Code (6th edition).

2. The applicant is reported to have died on the 25th May last. Any gratuity that may be sanctioned to him should be made payable to his widow Paidammah (*vide* Inspector-General's letter, No. 3628, dated 1st July 1884).

3. The delay in the disposal of this case is due to repeated references which had to be made to the Inspector-General in respect to the verification of the applicant's service.

4. In accordance with rule 4, under section 134, the attention of Government is respectfully solicited to section 69 of the code.

ORDER—dated 5th November 1884, No. 1214, Pension.

Under sections 106 and 121 (a) of the Civil Pension Code (6th edition), the Right Honorable the Governor in Council is pleased to grant to Maripelli Simhadri, late waterman, Police hospital, Bezvada, an invalid gratuity of Rs. (15) fifteen, equal to three months' pay, payable at Bezvada, Kistna district, in consideration of his qualifying inferior service of 8 years 6 months and 13 days.

2. The Right Honorable the Governor in Council is also pleased to declare that the applicant's appointment as waterman, sanctioned in G.O., 20th March 1875, No. 670, is pensionable.

3. As the applicant is reported to have died, the amount of gratuity sanctioned will, under section 177, rule 2, of the above code, be disbursed to his widow Paidammah.

CERTIFICATE AND REPORT OF ACCOUNTANT-GENERAL.

Submitted to Government: The appointment of Waterman to the Police Hospital (Regarded) in pay of \$2.50 a month was sanctioned by Government with the Order No. 670 dated 20th March 1870 Judicial Department. In para 2 of that order Government observed that the pay of the appointment should be met from the savings of the Police. It is not definitely known whether the Government intended that it should be regarded as permanent and pensionable appointment. The opinion of the Inspector General of Police on this point was solicited, but ~~that~~ simply communicates the opinion of the District Superintendent of Police which shows that the applicant was regarded as one of the permanent and pensionable establishment of Police which shows that the applicant was regarded as one of the permanent and pensionable establishment of Government and that he devoted his whole time to the service of Government as Waterman. Hoping their view, should Government be pleased to declare it to be regarded as pensionable appointment the applicant desires in Superior Grade might be held to have been proved for 8 years & seven months and 13 days; and an Invalid's Gratuity not exceeding Rs 150 a year (to 3 years) the pay would be admissible under sections 106 and 121(a) of the Civil Pension Code, 1871 Edition.

The applicant is reported to have died on the 26 May last. Any gratuity that may be extended to him should be made payable to his widow. The amount (Walter's respective gross and net pay for 1947).

The delay in the disposal of this case is due to respected a reference which had to be made to the Inspector General in respect to the verification of this applicant's service.

The agreement with No. 4 under Section 191, the intention of Government is ascertained & submitted to
Section 191 of the Code.
