GOVERNMENT OF MADRAS.

PENSION DEPARTMENT.

READ—again G.O., 19th September 1884, No. 984, Pension.

READ—also the following papers:—

From the Acting District Magistrate of Madura, dated 28th July 1884, No. 264.

Petition from Ananta Aiyangar, dated 3rd October 1884.

Certificate and report from W. T. PIERCY, Esq., Assistant Accountant-General, to the Acting Under Secretary to Government, Pension department, dated Fort St. George, 3rd October 1884, No. A.D.J.-396.

Submitted to Government. The applicant was granted a pension of Rs. 16-10-8 per mensem, equal to one-third average emoluments, for his service of 23 years 5 months and 4 days (*vide* G.O., No. 984, dated 19th September 1884). The District Judge recommends that the deficiency in the service should be condoned in view to the applicant being granted a pension equal to half average emoluments. The maximum period which the Local Government can condone under the provisions of clause (*a*), section 124 is one year, which being added to the applicant's service will raise the total period of his pensionable service to 24 years 5 months and 4 days, or 6 months and 26 days less than 25 years, the minimum period of service required for the grant of a half pension. The recommendation of the District Judge cannot therefore be accepted.

ORDER—dated 5th November 1884, No. 1219, Pension.

Recorded with reference to G.O., Pension, dated 19th September 1884, No. 984.

2. The Government observe that under section 124 of the Civil Pension Code neither the Local Government nor the Government of India can, under any circumstances, condone a period of deficiency exceeding one year.

3. The applicant will be informed that his request to be granted a pension equal to half average emoluments cannot, under the terms of the code, be complied with.

To His Excellency the Governor
in Council
at Madras.

May it please Your Gracious Excellency.

The humble Memorial
presented by Muneetiangar. Head Keeper
of the District Court of Madura.

Most Respectfully Sheweth:

I. That Your Excellency's Memorialist
was entertained in the Public Service on
July 1847. as a Peon and by the Zillah
Judge's Court and was thence promoted
to the 2nd Gumastaship of the Provincial
Judge's Court where he continued till
February 1861 when he was appointed
as the Head Gumasta of the District
Court then Civil Court of Madura.

II. That the Memorialist in spite of
his long Service of 37 years has not been
able to shew about than a Superior Ser-
-vice of 23 years 5 months and 11 days
till 19th July 1884, as the Memorialist's Service
before he got the Civil Court's Head-
Gumasta's appointment counts as in-
-ferior Service.

III. That these appointments which the
Memorialist

Memorialist left and which carried for its pay Rs 10 and a Sum below
it, and which therefor count as inferior
Service now carry for its pay Rs 15 and
Rs 25 and hence Count as Superior Service.

IV. That hence the Memorialists Service
from 1847 till 1871 a long period of
13 years counts as Superior Service and
the Service from 1871 to July 1884 counts
as Superior Service (23 years 5 months and
4 days) leaving a deficit of 18 months
and 26 days to complete the full period
of Superior Service to entitle the Memo-
-rialist to ½ pension.

V. That upon the question of the
Memorialists Retirement from the
Service one Suggested the Memorialist
represented to E. Turner Esquires the then
acting District Judge all the above facts
the Memorialist was directed to put in
a petition to the District Judge and
enclose a Memorial to Your Gracious
Excellency stating all the above circum-
-stances and also praying that either
full pension may be granted as a gracious
Concession for the Memorialists long Services
of 37 years or the Memorialist may be
retained in Service till the full period
stands be completed.

VI. That a Memorial was actually submitted and the District Judge recommended for ½ pension. This recommendation seems unfortunately to have failed the consideration of Your gracious Excellency when disposing of the Application for pension For the Order granting ½ pension simply reads the Accountant Generals Report and makes no mention of the District Judge's recommendation.

VII. That the Memorialist begs to submit to Your Excellency's kind and gracious perusal copies of Testimonials the Memorialist has been favoured with by the Judges under whom the Memorialist has served to see if he deserves any Special Concession.

VIII. That Your Gracious Excellency will Sympathise with the very hard case of the Memorialist in a perusal of the circumstance that whereas 18 months & 26 days are wanted to complete 25 years Superior Service, the Memorialists Inferior Service amounts to an additional 13 years and an additional period of 12 months Superior Service allowable under Clause 2 of Section 125 of the Pension Code and the Memorialist stands in need of 6 months and 26 days only to be entitled to ½ pension.

IX. That Your Excellency's Proceedings

[illegible] invariably disqualifies the [illegible] when some months are wanted to [illegible] becoming entitled to a pension, Petitioner must respectfully be enforced in respect of the limit of age and the Memorialist's case is deeply regretted [illegible]

of the Memorialist who would otherwise be entitled to £5-18-8 (½ pension) is proportionately granted £3-16-10-8 (⅔ ~~pension~~) for the score of 6 months and 26 days being wanted.

X. That the question of the Memorialist being physically able to continue in office for 6 months and 26 days if a special grant of ½ pension could not otherwise be granted may be referred by Your Excellency either to the present Assistant District Judge or to any Medical Officer from whom the Memorialist is prepared to furnish a certificate to the above effect if necessary.

It is therefore most humbly and respectfully prayed that Your Excellency will be graciously pleased either to grant a pension as a special case in view of the long service or to direct the extension of the Memorialist's service for a further period of 6 months and 26 days when the Memorialist will become entitled to ½ pension.

For which act of benevolence the Memorialist shall ever pray &c.

The humble memorial submitted by Arana Madura Arumtungar Record Keeper of the District Court Madura

Most Respectfully Sheweth,

I That your excellency's humble Memorialist has been in the Judicial Department for the last 37 years since 1843 and held the present appointment of Record keeper since April 1874 (Vide Service Register)

II That the Memorialist passed his Sixtieth year Some few months back when your Excellency's sanction was received by the District Judge for further retention till June last.

III That your excellency's humble Memorialist has to his credit of 37 years long service, not been able to show more than 23 years and 6 months superior service in consequence of the Munsiff's Court Clerkship now carrying Rs 15 as the lowest Salary having had during the Memorialists tenure of office for its pay, no more below Rs 10 and Rupees 15.

IV That your excellency will be in a position to consider whether this Memorialist's case is not one entitled

entitled to your excellency's sympathetic view on the face of the circumstances that so long a service as 37 years has not been adequate enough to entitle your Memorialist to half pension, which 25 years service secures.

V That your Memorialist humbly begs to add that your gracious excellency will be pleased to peruse the Testimonials of the humble Memorialist, as a criterion for shewing the sympathy herein below prayed for.

VI That the half pension which this Memorialist may be entitled to of retained in service for 20 months more is to be deplorably lost irrespective of the long period of 37 years service in the Judicial Department.

VII That as a guarantee of your Memorialist being physically fit to do the duty of the Record Keeper place, for the said 20 months the District Judge may be referred to as to whether there has been any drawback in the business of the Memorialist's office ever since the Judge joined the District.

VIII That the request of the Memorialist for further retention in service for 20 months is purely co-extensive with the natural sentiment of getting half pension as a monthly legal remuneration for the services rendered.

Hence it is very humbly and most respectfully prayed that your excellency will be graciously pleased either to order the further retention of your Memorialist in the service for 20 months more till his 25 years superior service is completed or to recommend specially to the India Government for the gracious consideration of his excellency the Governor General in Council that a Special order may be passed conferring on your excellency's humble Memorialist half pension, in spite of 20 months being wanted to complete 25 years superior service. and thus protect the humble Memorialist.

For such act of charity and benevolence the Memorialist shall ever pray.

Honorable Sir,

In submitting herewith Copy of the Application for pension and the Memorial of Ananta Aiyangar, Recordkeeper of this Court, I have the honor to state that the total service of the Applicant extends over a period of 37 years and 11 days, of which 23 years, 5 months & 14 days is Superior and 13 years, 6 months & 24 days inferior Service.

2- To entitle him to a half pension he has to serve 20 months more but considering his present age I do not think it advisable to recommend his retention in service any longer. As stated by the Applicant the offices which were of inferior service during his tenure of office have since been made of Superior Service.

3- A perusal of Copies of his testimonials (herewith submitted) will show that he has performed his duties faithfully.

4- I have therefore the honor to request that the Government will, if deemed fit, be pleased to recommend to the Government of India to grant applicant half pension.
