GOVERNMENT OF MADRAS.

PENSION DEPARTMENT.

READ—the following paper:—

From T. TIRUVENGADAM MUDALI, late Maistry, Public Works department, to the Secretary to Government, Pension department, dated Madras, 15th August 1884.

I most respectfully beg that your honor will be pleased to submit the accompanying letter to the Secretary to the Government of India with your favorable recommendation taking into consideration the circumstances of my case (as a special case).

ENCLOSURE.

From T. TIRUVENGADAM MUDALI, late maistry, Department of Public Works, to the Secretary to the Government of India, Financial department, dated Madras, 15th August 1884.

I beg most respectfully to bring these few lines of my singular and deplorable case to your honor's kind consideration with the humble hope that they will meet with success.

2. I beg to state that I entered the service of Government on the 20th March 1848 as a Measurement Maistry, Department of Public Works, Presidency division, Madras, and was thrown out of employ on the 31st May 1879, in consequence of the general reduction in the Department of Public Works.

- (a) Ever since then and up till 11th January 1882, I did not apply for pension because I was trying and expecting to get a situation in the Department of Public Works. The attempt having unfortunately failed, I had as said before applied for pension.
- (b) But recently in January 1882 it seems that there was issued an order that maistries drawing less than Rs. 25 should be considered as of inferior service, and the Madras Government, I most humbly beg to add, had however given a retrospective effect to the said order and applied my humble case thereto, whereof I, who was for a few years of my long service of 31 years designated also a sub-overseer, 3rd class, and conducted duties of a superior character, such as planing, estimating and surveying the buildings, &c., am now destined to draw a very poor and meagre moiety of only Rs. 4 per mensem with reason no doubt of combining 12 years service as superior and the rest inferior.

3. I therefore beg of your honor the favor of rendering ineffectual the retrospective effect of the order of Madras Government, considering my humble case whereby I hope your honor will be conferring a boon on me for then my whole service will be reckoned as superior, and consequently I and my poor and large family will be allowed to draw a pension of Rs. 10 a-month, being the moiety of pay.

For this act of kindness and charity I shall, as in duty bound, ever pray for your honor's long life and prosperity.

ORDER—dated 5th November 1884, No. 1223, Pension.

Ordered that the memorial be forwarded to the Government of India, and that the memorialist be informed of its despatch.

PENSION DEPARTMENT.

LETTER—from

THE SECRETARY TO THE GOVERNMENT OF
FORT ST. GEORGE,

To

THE SECRETARY TO THE GOVERNMENT OF INDIA,
DEPARTMENT OF FINANCE AND COMMERCE.

SIR,

I am directed to forward a memorial, addressed to the Government of India, by one T. Tiruvengadam Mudali, late maistry in the Madras Public Works department, appealing against the orders of this Government granting him a compensation pension of Rs. 4 per mensem in consideration of his combined superior and inferior service of 31 years 2 months and 10 days.

2. The memorialist's contention is that he ought to have been granted a pension on the superior scale, but that retrospective effect having been given to the ruling contained in your letter of the 16th January 1882, No. 241, closing service as a maistry in the Public Works department on less than Rs. 25 *per mensem* as inferior, his pension was calculated on the inferior scale.

3. The memorialist never at any time drew more than Rs. 20 per mensem, although for a period of 3 years and 10 months he ranked as a sub-overseer, third class, third grade. As stated in my letter of the 13th July 1883, No. 619, it was the practice of this Government, prior to the receipt of the ruling above referred to, to decide on the merits of each particular case whether service as a maistry was superior or inferior. At no time, however, would the service of the memorialist as maistry have been regarded as superior, and in these circumstances this Government has no recommendation to make on his behalf.

I have the honor to be,

Sir,

Your most obedient servant,

FORT ST. GEORGE,
5th November 1884.

Secretary to Government.
