+ returned with enclosures

With reference to your letter No. ⁺ 1 DK 113

dated 5th Instant requiring certain explanations & informations in connection with the 5 applications for gratuity therein alluded to, I have the honor to state that the services of the applicants and of another Peon were dispensed with by the District Judge on the 31st March 1884, when the Process Service Establishment was transferred to the District Court under the late re-organization of that Establishment. Then all of them applied to the Court for gratuity. As the Court was closed a few days after for 2 months for the annual recess, their services could not be verified immediately. After the re-opening of the Court on the 16th June, they had to be verified by referring to different records in the Court. Certain informations were also required from some of them for the verification;

and they could not be obtained early as they were absent from the station. When the verification was completed about the end of July, medical certificates as to their unfitness for further service were deemed necessary, as they were supposed to have been discharged on the ground of unfitness, they having attained the age of 55 years. Then these men, with the exception of one who had attained the age of 60, were sent to the District Surgeon on the 29th & 31st July to enable them to obtain the certificates; and the Surgeon after examining them granted certificates on the above dates. Hence the cause of delay in the submission of the applications and of the medical certificates bearing dates subsequent to the date of discharge. It appears however from a subsequent letter received from the District Judge that all these men were discharged on account of reduction of Establishment in the late re-organization and not on the ground of unfitness alone.

2 As regards your requisition No 15 the evidence of Nellaiyapper, the present Duffadar of this Court, who was employed in this Court contemporaneously with Muttusamy, is herewith forwarded in support of the latter's services from 5th May 1855 to 24th October 1861.

3 A few more personal marks to facilitate the identification of each of the applicants are added to those already mentioned in the applications as required in requisition No 19.

4 It appears that there are no records of the kind referred to in requisition No 29 for the verification of Muttusamy's services from 5th May 1855 to 24th October 1861.

5 As regards requisition No 30, Muttusamy appears to have been Peon on the regular Establishment & discharged owing to reduction of Establishment. He was afterwards appointed as a Batta Peon.

6 As for requisition No 35, the term "Mokoofti" signifies in this case removal on account of reduction of Establishment; and he does not appear to have received any gratuity or pension for his previous service. His affidavit to that effect is herewith forwarded.

7 In conclusion I beg to add that in the cases of Thiraviam, Alwar Naider & Kapaibia Sahib as also in that of R Subramanian, whose application for gratuity has been forwarded to you with my letter No 363 dated 12th Inst, the amount of gratuity has been calculated with reference to Nos 4 to Section 121 of the Pension Code, as their services as Batta Peons prior to 16 August 1861.
