This Excellency the Governor General
of India in Council

The humble petition of Chinna Shambhi
Sernaigaram son of Muthukaruppan
Sernaigaram of Muthural village at-
tached to Ramanadhapuram and
Sivaganga Madura District

Most respectfully sheweth

1. That the poor petitioner was a peon
from 1827 to 1862 in Tharakudy Alom
and others and in head office. He
and other officers were suspended
according to the new establishment
started then. He and other two persons
named Annasa and Muthukaruppan
Sernaigaram sent service list to the
Collector of Madura District with
regard to his order. On this the other
two persons with the exception of

of these got themselves pensioned. As
the poor petitioner did not consent to
write the head writer fifty rupees, he
(head writer) treacherously disappointed
him (petitioner) without getting himself
pensioned.

2. That, on applying to the Madras Govt.
on 13th July 1873, the Govt. sent an endorsement
to report this with his records; which
he did so.

3. That the Govt. gave an order to
Ramaswamy Mudaliar A.M.L. the late
Salt Dy Collector to make the petitioner
send his service list again.

4. That the petitioner sent his service list
for a second time too.

5. That he was obliged to go to Colombo
on account of severe famine and poverty.

That, after his departure to Colombo,
Ramaswamy Mudaliar A.M.L. sent
order of the number 55 dated
1874 informing the petitioner
that he had issued an order refusing

38
to pay the petitioner either pension or
gratuity as there was no reason to do so;
and that his son had kept this order as he
was at Colombo at that time.

6. On his arrival here in 1883 he at
once petitioned to the Revenue Board
on the 4th December, to which the
Revenue Board states "After a lapse
of ten years the Board are unable to
recommend either pension or gratuity to
petitioner."

8. That Ramaswamy Mudaliar A.M.L.
did not show the number of the
order issued from the Govt. in his
order of the number 55.

9. That it is therefore evident that
he has been cheated.

10. That he has petitioned to the
Collector and to the Revenue Board, the other
from which he did not receive pension.

1648
Receive any favourable order.

11. That all the orders favourable to him are in Revenue Board and in the Govt with his petition; and that he still has his belt too.

12. That the poor petitioner humbly craves His Excellency that necessary papers be called for and pursued and justice rendered that is to give him pension and to protect his poor family.

For which act of charity and benevolence the petitioner shall as in duty bound ever pray

He begs to remain

Most obedient servant
