Translation of Statement given by Vanamada Narainaswami, late Overseer, Public Works Department, Parlakimedi Estate.

I was Sub Overseer from 15th February 1857 to 31st March 1863 but I cannot state why it was entered in the Service Register that I held the post only up to 1st April 1862. In an order issued by the Sub Engineer to Pir, Sluice Peon, on the 15th July 1862 it is stated that the said Pir should obey my orders given him as Sub Overseer. This proves that I was Sub Overseer also subsequent to 1st April 1862. The order is with Pir, and you may be pleased to get it and peruse it. I cannot produce any further documentary evidence but this.

I was Taluq Maistry on Rs 20 pay from 1st April to 6th September 1863 and have no documentary proofs to this. I cannot produce the Government Order which sanctioned the appointment of the Maistry nor can I state from what funds I was paid. It was then said in our Department that the post of Taluq Maistry was one eligible for pension.

When

When I was promoted from the post of Zaly Maistry to that of Acting Overseer, the Sub Engineer took from me orders &c. which were in my possession, and forwarded them to the Superintending Engineer; but as they were not returned, I possess no documentary proofs.

My services were not dispensed with on the 14th March 1864. I was prior to it, Acting Overseer, and on the same day I reverted to my permanent post of Zalug Maistry. Overseer Iuraga Bapayya Bentulu was transferred to the Bellary District, and I acted in his post until another man was appointed. A Mr Brain being appointed to the Office of Overseer, I reverted to my permanent post of Zalug Maistry on the 20th November 1864. The entry in the Service Register showing the post of Maistry to be a temporary one was, I think, a mistake.

Translation of statement given by Tridandam Anantayya swami of Chicacole.

I was formerly employed in the Public Works department and have been receiving pension from Government. I am now employed as Head Clerk in the Chicacole Municipal Office. I was entertained on the 18th February 1857 in in the D. P. W at Rupellkonda. The post I held was that of Writer and Estimate maker on the Establishment of the Sub Engineer. I was transferred from Rupellkonda to Chicacole in July 1857 and was at Chicacole till October 1866 when I was transferred to Berhampore where I remained for one month and odd days only and was again transferred to Chicacole and remained there till January 1873. Afterwards I was transferred to Berhampore where I remained for 3 months and odd and then was ordered to Chicacole. I remained in the latter place for 6 months and odd and was again transferred to Berhampore in November 1873. I was there until I was pensioned. When I came from Rupellkonda to Chicacole in July 1857, Vemamada Narayanaswami Naidu was Sub Overseer in the Chicacole Range. It was a permanent post. He was ever since continuously employed in that Range till he was transferred to Berhampore Range. I know this well. During that time he was Sub Overseer, Talug Maistry and Overseer for certain periods, but I cannot state the particulars of the periods for which he respectively held the different posts.

The said Narayanaswami Nayadu was Overseer when he was transferred to the Berhampore Range and was so for some time past. I recollect that he was in the Chicacole Range till September 1873 and was then transferred to Berhampore. He was transferred to the latter Range shortly before my transfer to it in November 1873. I remember that he did not hold the post of Talug Maistry for a long time. It was then said in our department that the post of Maistry was one eligible for pension, but I do not know if there are any orders of Government to that effect. I

I recollect that also during the time he was Talug Maistry his pay was drawn from Imperial funds. As I was employed in the Chicacole Range Office, I remember this Pay bills of Talug Maistries and other Talug Officers were then prepared in the Range Office. I fully remember that a single bill was prepared for Hazur and Talug Establishments and that the Talug Maistry was included therein. It was said that all the Offices which were included in the bill were eligible for pension.
