16TH FEBRUARY 1884, No. 128, PENSION.

GOVERNMENT OF MADRAS.

PENSION DEPARTMENT.

READ—the following papers :—

From the Superintendent, Madras Survey, dated 22nd December 1883, No. 172-A.

Certificate and report from the Accountant-General, to the Acting Under-Secretary to Government, Pension department, dated Fort St. George, 31st January 1884, No. A.D.J.-410.

Certified that qualifying service in superior grades has been duly proved for 16 years and 4 days, and that a superannuation pension, not exceeding Rs. 5-13-4 per mensem, equal to one-third average emoluments, is admissible under sections 106, 109 (b) and 111 of the Civil Pension Code (5th edition). The calculations have been duly verified. It will be seen from the letter of the Superintendent, Madras Survey, No. 172-A, dated 22nd December 1883, and from the fact that the application is supported by a medical certificate, that it was proposed to admit the applicant for an invalid pension. But this is not coincident with the entry recorded opposite to No. 9 in the first page of the application which shows that the application was intended for a superannuation pension. Considering, however, that the applicant is above 55 years of age, this office has recommended that he should be admitted to the latter class of pension. It is pointed out that this difference in class does not affect the amount of the pension which he is entitled to.

2. In accordance with rule 4, under section 130, the attention of Government is respectfully solicited to section 65 of the code.

ORDER—dated 16th February 1884, No. 128, Pension.

Under sections 106, 109 (b) and 111 of the Civil Pension Code (5th edition), the Right Honorable the Governor in Council is pleased to grant to Esura Gopalakristniah, late assistant record-keeper, No. 3 party, Madras Survey, a superannuation pension of Rs. (5-13-4) five, Annas thirteen and Pies four per mensem, payable at Nángunéri, Tinnevely district, from 13th September 1883, in consideration of his qualifying superior service of 16 years and 4 days.
