AR.

Copy of letter from the Examiner P.W. Accounts to the Superintending Engineer, 5th Circle, No. $\frac{566}{S.E.5}$ dated 17th February 1883.

I have the honor to return herewith the gratuity application and Service book of Pondicherry Subraya Mudaliar late Maistry on the Petty Establishment of the South Arcot Division and to request that the same may be retransmitted to this office duly modified with reference to the following remarks and with information on the following points:-

(1) The amount of saving accrued to Government by the applicant's retirement should be noted against entry No. 4 on page 5 of the gratuity application - Vide Section 100 Rule 6 of the Civil Pension Code-

(2) As the applicant was on receipt of a Salary of less than Rs. 25 per mensem, his Services should be treated as inferior with reference to Section 89 of the Civil Pension Code and the Orders of the Government of India communicated with G.O. Pension Department—

Department No. 75 dated 27th January 1882 and revising allowances claimed accordingly.

(3) The circumstances under which the applicant's services prior to 1st October 1873 are shewn as "Period not reckoned as Service", should be explained. The entries in the Audit registers of this Office shew that the applicant drew pay as Maistry at Rs 20 per mensem for March 1870 at Rs 10 per mensem from 1st April to 30th September 1870. with the exception that for August 1870 a sum of Rs 7-11-10 is shewn to have been drawn and no pay for 9th to 16th September 1875. They further shew that pay at Rs 10 per mensem was drawn for November 1875; Explanation of these discrepancies is requested.

2. Attention is drawn to para 1(c) of this Office letter No. 546 S.R.5 dated 8th Instant with a request that the delay in the submission of this gratuity application for over 30 months may also be more fully explained for the

for the information of Government.

Copy of the letter from the Superintending Engineer, 5th Circle to the Examiner of Public Works Accounts, Madras, No. 663 dated 15th May 1883.

I have the honor to return the gratuity papers of Petty Establishment Maistry P. Soobraya Moodr. received with your letter No. 566 dated 17th February 1883.

2. The saving which accrued to Government by the applicant's retirement has been noted in the gratuity application.

3. The applicant's services have now been classed as inferior, with reference to G. O. Pension Department No. 75 dated 27th January 1882.

4. The Services prior to 1st October 1873 are not reckoned, as Service for the applicant was transferred to the Temporary Establishment, and his pay was charged to Estimates for a period of three years from 1st October 1870 to 30th September 1873, and he thus lost his lien on the permanent Establishment.

5. The corrections pointed out in clause 3 para 1 of your letter have been attended to.

6. As regards the delay the Executive Engineer explains that at the time of the applicant's retirement in March 1880, Service in the Petty Establishment was held to be temporary, and not pensionable under G. O. No 1786

of

of 26th November 1877 - hence the applicants' Services were not verified before his retirement as required by the Rules. Several of the items in the Service Book had to be verified from the old records, and the cause of terminations of appointments had to be ascertained, because on account of funds running short there were repeated transfers to the temporary Establishment.

In his letter Nos. 1653 and 2792 of 30 July 1883 & 6 November 1883 respectively the Superintending Engineer Fifth Circle explains the circumstances under which the applicant's Services for the periods, 3rd October 1865 to 23rd January 1866 and 1st April 1866 to 31st December 1867 have been treated as non-qualifying and the impossibility of ascertaining the cause why the applicant's pay for the two periods have been stopped in the absence of records in his Office.

The applicant's services were dispensed with on the afternoon of 31st March 1880 owing to reduction of Establishment ordered by Government.

The delay in the submission of the gratuity application is explained by the Superintending Engineer in para 6 of his letter No. 663 of 15 May/83 (Copy enclosed).

Copy of letter from the ~~Ex~~ Examiner P. W. Accounts, Madras, to the Superintending Engineer, 5th Circle, No. 144/S.E.5 dated 4th June 1883.

With reference to para 4 of your letter No. 663 dated the 15th ultimo stating that the Services of retired Maistry Subroya ~~Iyen~~ Moodaliar prior to 1st October 1873 have been classed as nonqualifying as he was transferred to the temporary Establishment, and his pay changed to Estimates for a period of three years, from 1st October 1870 to 30th September 1873, I have the honor to request that you will be good enough on reference to the records of your Office or of the Division concerned, to furnish me with a memorandum explaining the circumstances of the applicant's transfer on each occasion i.e. whether at the applicant's own request or for want of funds, or for any fault on his part. In the absence of information on this point, this office is not in a position to determine the period of the applicant's qualifying Service. It should also be explained why his Services in the permanent Establishment prior to to 1st October 1870 have been treated as non qualifying

Copy of letter from the Superintending Engineer 5th Circle to the Examiner P. W. Accounts Madras No. 1653 dated 30th July 1883.

In returning the enclosures of your letter No. 1424. S. E. 5. dated 4th Ultimo, I have the honor to state that the applicant was transferred from the permanent Establishment to temporary and paid from estimates, owing to the fluctuation in funds available for petty establishment, and not on account of misconduct. He was employed in the temporary Establishment from 1st August 1868 to 30th November 1868.
1st October 1870 to 30th September 1873.
1st February 1874 to 28th February 1874.
The applicant having been on the temporary Establishment for three years viz from October 1870 to September 1873 and having thus lost his lien on the permanent establishment, his services prior to 1st October 1873 were not reckoned as qualifying as explained in

in para. 4 of my letter No. 663 of 15th May 1883. As however the transfer to the temporary establishment was not owing to misconduct the service prior to 1st October 1870 on the permanent Establishment for the periods noted in the margin x has been now treated as qualifying.

x 1st May 1868 to 31st July 1868
1st December 1868 to 31st March 1870
1st April 1870 to 22 August 1870
