* In the Public Works Department, periods of service should be verified by the Examiner P. W. Accounts, Section 81 Rule 2. If the service claimed cannot be wholly verified from the records of the Accounts Office, reference should be made to the files of the Offices in which the applicant states he served during the period in doubt, Section 81 Rule 4; and if verification from this source be not practicable, the applicant must furnish an affidavit on plain paper accompanied by such collateral evidence as may be procurable, e.g., official certificates and the evidence of contemporary employees, Section 81 Rule 5. If the latter cannot be adopted the authority receiving the application must invariably record his own opinion whether the service claimed has been established and should be admitted or not, Section 81 Rule 6. The Last Pay Certificate, prescribed in Section 85, should always accompany the final Pension Application.

Certified that I have carefully
examined Karahari Rungiah Chetty, son
of Karahari Ramasawmy Chetty, Head
Clerk, in the Executive Engineer's office,
Cuddapah Division, Cuddapah District,
his age is, by his own statement, 54 years,
and by appearance, about 56 years. I
consider Karahari Rungiah Chetty
to be completely and permanently incapacitated
for further service of any kind, or in the
Department to which he belongs in
consequence of old age and infirmity.

His incapacity does not appear
to me to have been caused by profligate
or intemperate habits.

I have the honor to forward
the Pension Application and the Ser-
vice Book of Kasahari Rungiah Sethy
the late Head Clerk of the Cuddalore
Division who has been pronounced
physically unfit for further public
service, and enclosed medical Cer-
tificate dated the 2nd July 1884, granted
by the District Surgeon of Cuddalore.

The clerk was relieved of his
duties on the afternoon of 3rd July/84. The
statement of services is stated to have
been already verified in your office.
There are however the undermentioned
breaks in the applicant's service:

- (1). Absence in continuation
of privilege leave from 10th to 31st July/83 0 - 22.
- (2). Absence without leave from
11th to 31st January 1868 - - - - 21.
- (3). Do. from 11th January to 4th Febr/89 - 0 - 25.

3. The first case would appear to come under exception (b) section 100 of the Civil Pension Code - and the absence does not therefore entitle for forfeiture of past service. The second case is supported by a medical certificate to show that the absence was unavoidable. No records are forthcoming in this office to support the entry in the Service Book that this period of absence was subsequently converted into leave without allowance. The same remarks apply to the entry in the Service Book in the third case also. But these breaks do not exceed 3 months in all and Government may see fit to consider them under clause (a) & (b) section 102 of the Civil Pension Code.

(a). - As the Applicant is below 55 years of age, and as the Medical Certificate already received does not contain full particulars of the applicants incapacity for further service, it is necessary that a second Medical opinion should be obtained and forwarded to this office. I have the honor, with reference to your letter, No 1153 dated 22nd instant, to state that my reasons for declaring N. Rungiah Chetty, Mica, incapable for further service, vide my Certificate, No 155, dated 2nd July/84, are, that he appeared to me to be above 55 years of age & prematurely old and infirm. Besides this, his eyesight is defective, heart's action, irregular and feeble, due probably to fatty degeneration of that organ, and his hands tremble when writing and his memory is said to fail at times also.
