Sir

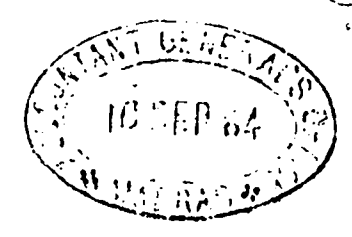

I have the honor to forward an application for compensation gratuity on behalf of K. Subramanian late Process Service Peon of this Court.

2 The services of this man as also those of 5 other Peons were dispensed with by the District Judge on the 31st March 1884, when the Process Service Establishment of this Court was transferred to the District Court under the late organization of that Establishment. These men applied to this Court for gratuity. As the Court was closed a few days after, for 2 months for the annual recess, their services could not be verified immediately. After the re-opening of the Court on the 16th June, the services of the 6 men had to be verified by referring to different records in the Court. Certain informations were also required from these men for verification, and they

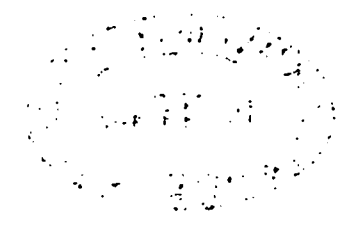

Could not be obtained early, as some of them were absent from the station. After the services were verified, medical certificates as to their unfitness for further service were considered necessary, as they were supposed to have been discharged on the ground of unfitness, they having attained the age of 55 years. Consequently this man with 4 of the other 5, who were above 55 years and under 60, were sent to the District Surgeon on the 29th July to enable them to obtain the necessary certificates. On the Surgeon's examining R. Subramaniam, he declared him fit for further service. This circumstance was reported to the District Judge, who in reply said that the man had been discharged owing to reduction of Establishment in the late reorganization and not on the ground of unfitness, and that no medical certificate was therefore necessary. Hence the cause of delay in the submission of this application.
