GOVERNMENT OF MADRAS.

PENSION DEPARTMENT.

READ—the following papers :—

From the Collector of Coimbatore, dated 2nd September 1884.

Certificate and report from W. T. PIERCY, Esq., Assistant Accountant-General, to the Acting Under Secretary to Government, Pension department, dated Fort St. George, 24th September 1884, No. A.D.J.-369.

Certified that should Government, under the explanation furnished by the Collector in the enclosure marked (C), be pleased to accept the medical certificate which is dated 10 days after the applicant ceased to do duty, qualifying service in inferior grades will be duly proved for 29 years 4 months and 27 days, and that an invalid gratuity, not exceeding Rs. 90, equal to six months' pay, will be admissible under sections 106 and 121 (a) of the Civil Pension Code (6th edition). The calculations have been duly verified. It will be seen from the remarks recorded in the enclosure (C) that the Collector strongly recommends that the deficiency of 7 months and 3 days in the applicant's service should be condoned in view to his being granted a pension of Rs. 4 a-month in lieu of the gratuity of Rs. 90 to which he is otherwise entitled. The maximum period of deficiency which a local Government can condone under the provisions of section 124 is three months. But, as the recommendation of the Collector is for the condonation of a period of 7 months, it may not be acceded to, because it is not a break in service he seeks to have condoned but a deficiency. The section the Collector quotes refers to condonation of a break in service.

2. The delay in the submission of this application is explained by the Collector in the documents referred to above.

3. In accordance with rule 4, under section 134, the attention of Government is respectfully solicited to section 69 of the code.

ORDER—dated 21st November 1884, No. 1350, Pension.

Under sections 106 and 121 (a) of the Civil Pension Code (6th edition), the Right Honorable the Governor in Council is pleased to grant to Olettoo Soobbe Chetty, late shroff, Kollegál taluk, Coimbatore district, an invalid gratuity of Rs. (90) ninety, equal to six months' pay, payable at Kollegál, Coimbatore district, in consideration of his qualifying inferior service of 29 years 4 months and 27 days.

2. The medical certificate dated 10 days after the applicant ceased to do duty is accepted under section 132, rule 2, of the above code.

His age is by his own statement 52 years, and by appearance about 62

to be completely and permanently incapacitated for further service of any kind in
the Department to which he belongs in consequence of mental infirmity
His incapacity does not appear to me to have been caused by

Remarks to be entered opposite column
5 any other remarks on the 3rd page of the
application for Pension on behalf of Olettoo
Seolber Chetty, late Shroff, Kollegal Taluq.

The applicants service book and
Last Pay Certificate are sent herewith.
It will be seen that the period required
to entitle him to pension falls short
by 7 months and 2 days. He was directed
by the Deputy Collector, Northern Division, to
appear before the Civil Surgeon, who
on examination has certified to his
(applicants) unfitness for further service
of any kind. On receipt of this Certificate,
the Deputy Collector retired the applicant
and recommended him for Pension.
This recommendation and the Civil
Surgeon's Certificate were received in
this office on 26th May or 3 1/2 months
after

after the applicant had been removed from the service, and then it did not seem convenient to direct his re-employment to enable him to make up the time wanting in the face of the Medical Certificate. It is therefore recommended that the period found wanting may under section 102(b), be condoned by the Local Government by treating a portion of the period of 8 months and 21 days he was out of employ on the abolition, on 1st March 1858, of the office of Kumbli (Assistant) Shroff, Kollegal Taluk, held by the applicant, as leave without pay which in the case of Inferior service such as the applicants, counts towards Pension.

- The delay in the submission of this application is owing to the non-receipt of the Service Book from the Deputy Collector along with the Pension application

application and to the want of the ¹⁵⁷ applicants signature in Column 2 thereof when it was received here on 17th June last. The Book was returned in view to the omission being supplied and retransmitted. Copy of order of suspension and explanation of the discrepancy between the date of his retirement as given in the Northern Division Deputy Collector's application and that according to the Pay Bill were called for and they were received on 8th and 12th August respectively.

- It appears that the applicant was directed by the Deputy Collector, Northern Division, to appear before the Civil Surgeon putting in a substitute of his own for Conduct of business during his absence, and under the arrangement it was intended that

Full pay should be drawn in Soolie
Chetty's name until his return to
Kollegal with the medical certificate,
but in the bill received from the Kollegal
Taluk pay was claimed for the substitute
from 3rd February, the date on
which Soolie Chetty left Kollegal
for Coimbatore for the medical certificate,
and half pay was passed to the substitute
by the Treasury Dy. Collector in ignorance
of the said arrangement and at the request
of the Northern Division Dy. Collector
subsequently made. Hence
Soolie Chetty's name could not
be shown on the Pay bill after
3rd February. This explains why
the medical certificate bears a date
i.e. 12th February 1884, subsequent to
that of the Groff's retirement viz. 3rd

In the detailed lists of Establishments
sent to the Accountant-General for the
years 1879 to 1883, the applicant's name
appears with the prefix "Oletto" but
in those for the years 1863 to 1878 his
name is simply entered as Soolie
Chetty. The name though spelt in the
lists for the years from 1863 to 1867 as
Soolie Chetty refers to the applicant.
