GOVERNMENT OF MADRAS.

PENSION DEPARTMENT.

Read—the following papers :—

From the Director of Public Instruction, dated 19th January 1884, No. 180.

Certificate and report from W. T. PIERCY, Esq., Assistant Accountant-General, to the Acting Under Secretary to Government, Pension department, dated Fort St. George, 14th July 1884, No. A.D.J.-165.

Certified that qualifying service in inferior grades has been duly proved for 10 years 1 month and 5 days. It is doubtful whether the rules of the Civil Pension Code admit of the grant of pension or gratuity for services rendered in the capacity of a "tailor." The Director of Public Instruction states that the whole of the applicant's time was devoted to the services of Government and considers that the appointment is pensionable. Should Government be pleased to agree with him in that view, the applicant may be granted an invalid gratuity, not exceeding Rs. 20, equal to four months' pay, under sections 106 and 121 (*a*) of the Civil Pension Code (6th edition).

2. The reason why the medical certificate is dated 4 months and 5 days after the applicant ceased to do duty, and the cause of delay in the submission of the application, are explained by the Director of Public Instruction in his reply to this office reference, No. A.D.K.-185, dated 15th February 1884.

3. In accordance with rule 4, under section 134, the attention of Government is respectfully solicited to section 69 of the code and to the medical certificate in this case.

Official Memorandum to the Accountant-General, dated 5th August 1884, No. 49.

From the Accountant-General, dated 13th November 1884, No. J.A.E.-342.

Order—dated 27th November 1884, No. 1389, Pension.

Under sections 106, 121 (*a*) of the Civil Pension Code (6th edition), the Right Honorable the Governor in Council is pleased to grant to Kamuru Pulliah, late tailor, Government girls' school, Nellore, an invalid gratuity of Rs. (20) twenty, equal to four months' pay, payable at Nellore, in consideration of his qualifying inferior service of 10 years 1 month and 5 days.

2. The medical certificate, dated 4 months and 5 days after the applicant ceased to do duty, is accepted under section 132, rule 2, of the above code.

EDUCATIONAL DEPARTMENT.

20th August 1880, No. 316.

Government Girls' Schools.

Read the following paper:—

No. 27. *From Colonel R. M. MACDONALD, Director of Public Instruction, to the Chief Secretary to Government, dated Madras, 26th June 1880, No. 3041.*

Some years ago when Government resolved to relieve the Local Fund Boards and Municipalities of all charges connected with girls' schools, a few girls' schools established by these bodies became Government Schools. Subsequently Government took over two other private schools at Vellore and Hosúr at the request of the managers.

2. These schools were not organized on any fixed plan. They were all in their infancy, and the salaries assigned to the teachers were usually very low and were probably not intended to be permanent. In most of the schools the teachers were men. In a few cases women, whose services happened to be available, were employed, but it was chiefly to teach needle-work, and even this branch was generally entrusted to tailors. Of the few women employed not one had been trained.

3. From time to time as opportunities have occurred a few masters have been replaced by young women trained in the Madras Normal School, and in some instances the salaries have been raised to admit of such women being engaged. It is very desirable that the schools should be placed on a better footing, but I am not yet in a position to be able to propose more than a slight improvement in the present scale of establishments.

Upper Primary School.
Second-class Lower Primary School.
First-class Preparatory Class B.
Do. do. do. A.

4. A Government Girls' School is supposed to consist of the four classes noted in the margin, and in schools in which these four classes all exist there ought to be four teachers.

The following is the establishment which seems to me suitable for a school of this character:—

—	Minimum.	Maximum.	Average.			Biennial increment.		
	RS.	RS.	RS.	A.	P.	RS.	A.	P.
Head Mistress	20	25	23	2	0	1	0	0
Second Mistress	15	17½	16	9	0	0	8	0
Third Mistress	10	12½	11	9	0	0	8	0
Fourth Mistress	10	12½	11	9	0	0	8	0
Female servants	5	5	5	0	0	..		
Contingencies	2	2	2	0	0	..		
Total ..	62	74½	69	13	0	..		

5. At Hosúr and Karuntattangudy the head mistresses receive Rs. 20. At Salem, where a head master is still employed, the salary is Rs. 20. At Nellore, Mulapet, Naidupet, and Krishnagiri the salary is Rs. 15. At Cuddalore, Wálajápet, and Pudukóta the salary is only Rs. 10, and at Vellore Rs. 9. At stations at which Rs. 20 or Rs. 15 is the sanctioned salary, I propose making no change. At all stations where the salary is below Rs. 15, I would raise it to that amount on the understanding that the increased salaries are only to be given when proper arrangements can be made for replacing the men now employed by women. This is a point of some importance. As long as these men are on salaries of 9 or 10 rupees, it ought not to be very difficult to find suitable posts for them in Local Fund or Municipal Schools, but if their salaries are once raised, the difficulty of getting rid of them will be very much increased.

6. At Hosúr the second mistress gets Rs. 15. At Nellore, Salem, and Pudukóta the salary of the second master or mistress is Rs. 10. At these four stations, I do not propose any immediate change. At Cuddalore the salary is Rs. 9, at Mulapet and Naidupet Rs. 8, at Karuntattangudy Rs. 6, and at Vellore Rs. 5. At Wálajápet there is no second mistress. At Krishnagiri there is only a sewing mistress on Rs. 7½. I think there should a second mistress on Rs. 10 at these seven stations.

7. At Salem the third master gets Rs. 10. I would make no change in the salary of this appointment. At Cuddalore the third master gets Rs. 8, at Nellore Rs. 6, and at Vellore Rs. 5. At the remaining stations there is no third master or mistress. I think that a mistress on Rs. 8 should be allowed at all these stations.

8. As already mentioned there is a sewing mistress at Krishnagiri on Rs. 7½. There is also a sewing mistress on Rs. 6 at Salem. I would raise both these salaries to Rs. 8. At Nellore there is a tailor on Rs. 5, who should, I think, be replaced by a sewing mistress on Rs. 8. There are also tailors at Mulapet, Vellore, and Wálajápet on salaries of Rs. 5, 4, and 2¼, but if third mistresses are sanctioned as proposed, these tailors will not be required.

9. I propose making no change in the present allowance for servants. The allowance for contingencies ranges from 4 annas to 4 rupees. I will fix it at 2 rupees throughout the schools.

10. At Hosúr, Krishnagiri, Naidupet, and Pudukóta the schools are provided with buildings. At the remaining stations the allowance for house-rent ranges from 1 rupee to 7 rupees. I would make no change in these items.

11. A Mahomedan Girls' School was sanctioned in G.O., No. 95, of the 23rd March 1875, for Gúdúr, but there is no probability of its being set on foot owing to the difficulty of securing teachers. I propose therefore applying the sum sanctioned for this school to improving the other schools.

12. There is an annual prize allowance of Rs. 6 for each girls' school. To this should, I think, be added an annual library allowance of Rs. 6.

13. The following statement shows the present and proposed cost of the school:—

14. On the whole there is an increase of Rs. 80-4-0. In my letter, No. 2806, of the 16th June 1880, I have proposed reductions in the Presidency College amounting to Rs. 168-2-0. Of this amount I have suggested in my letter, No. 2806, of the 16th June 1880, that Rs. 87-8-0 should be assigned to the Madura College. The remaining Rs. 80-10-0 will cover the charge above proposed.

No. 28. ORDER THEREON, 20th August 1880, No. 316.

His Grace the Governor in Council approves and sanctions the late Director's proposals for placing the eleven girls' schools at the stations marginally named on a better footing involving an additional charge of Rs. 80-4-0 to be met from the savings (Rs. 80-10-0) effected by reductions in the Presidency College.

Sir,

With reference to your letter No $\frac{J.A.E.}{206}$ dated 11th August /82 I regret my inability, under the circumstances, to express a more pronounced opinion regarding the causation of tailor Pullah's incapacity for further service.

2. Briefly, the circumstances of his case are as follow. He states that six years ago he contracted a venereal affection (gonorrhoea) from his wife; that at first he neglected the ailment but subsequently placed himself

under

under the treatment of Native doctors; that he was put under prolonged courses of Mercury and starvation-diet and that eventually his strength was so far reduced, and the complications which grew on the original disease became so troublesome that he was obliged to represent his inability to work any longer. —

3. — Now as to the original cause of the disease, To those who are conversant with the habits of certain classes of the community such a statement — as the contraction of venereal disease by a man from his own wife — will not occasion much surprise; it may be untrue; but I am not in a position to refute the allegation. So far then as the original cause of incapacity goes I am unable to certify as to the "irregularity of habits". Again, the disease in itself — an exceedingly common one — would in all probability have been recovered from under rational Medical treatment; but from neglect and maltreatment it became aggravated to such a degree so as to completely wreck the man's constitution. I could readily certify to his "imprudence" in not seeking proper treatment; but the retribution which has naturally been meted out to him would I fancy render any further punishment undesirable on this count. —

4. — I trust I have sufficiently shewn the difficulty when one endeavours in cases of this kind —

and they are by no means infrequent — to write certificates conscientiously and yet to ~~abide~~ abide by the prescribed formula.
