The Secretary to Government
Pension Department
Most respectfully sheweth.

With reference to your in-
strument No 383 dated 2nd
July 1884 I beg to bring to your
kind notice that I served
in the D.P.D. from 1860 to 1880
a period of 20 years & vide my
service book forwarded to your
office with my petition.

During the year 1880 my ser-
vices were transferred to the L.
I. Department in which I served
10 months as an Overseeer.

I was dismissed from the L.I.
Service on a charge made by
the L.I. Engineer that in submit-
ting bills for payment I allowed
for Cartage at the same rate
for all distances exceeding 1 mile

and below 2 miles & that the
carriage was not regulated
according to the fractional parts
of the mile which was under the
Case in the D. P. W.

The L. I. President in whom
the sole authority to deal with
L. I. Subordinates has been vested
had no professional knowledge
of the working of the department
he consequently imposed
on me a punishment, which
I did not at all deserve. But
there is no appellate authority
to prevent the injustice done to
me & I was put to serious loss.
I had an opportunity of repre-
senting my poor Circumstances
to the Deputy Chief Engineer & I
who stated my poor Condition
the way in which I was treated
by the L. I. President & I was
put with a Draftsman's place

in the Special Sup^y Engineer's
office Bangalore on a salary
of Rs 40. A few months after
the place of head draftsman's
place on salary of Rs 60 in the
L. I. D. Calicut was offered
to me in which I continued
for about 1½ years after which
I was obliged to leave that place
as my family could not stand
the climate of that place &
I obtained a draftsman's place
on salary of Rs 50 in the Vizagapatam
L. I. Engineer's office.

Thus it will be observed
that my services subsequent
to my transfer from the D. P. W.
1880 has been in the L. I. Dept
(which is not pensionable) & have
been with breaks consequently
this period cannot be counted
towards pension service.
I am entitled for pension
or gratuity whatever it

may be for the period of
20 years during which I was
employed in Government
service & it is for this that
I beg you will kindly take
my case into favorable
consideration & grant me
pension or gratuity to
which I may be entitled
according to G. O. No 2170 Finance
dated 27th September 1883.

I beg to remain
Sir

Your most obedient servant

C. C. Vagstad

Later Sub Overseer of Grade

at present draftsman C. E. Engstrom
