Copy of letter from the Supg. Engineer
2nd Circle to the Examiner P.W. Accounts
Madras No 611 NL dated 16th October 1884.

I have the honor to forward herewith Pension Application, with the marginally noted documents on behalf of V. Venkatanarasiah, Clerk 4th Class 3rd Grade of the Madras Division for verification by you and transmission to the Government for the sanction of an invalid pension on his behalf.

2. The delay in the submission of the application is due to the information regarding his past services having to be obtained from the Executive Engineer, Kibla Western and Buckingham Divisions and also from you.

3. The date of the medical certificate is 7th June 1884 and that of relief of the applicant, 15 June 1884. This short period was required for the clerk giving over charge to his successor and the delay may therefore be admitted.

4. A memo of calculation of pension is not herewith forwarded as one is not necessary, the clerk having been drawing a salary of Rs 250 per mensem for the last 5 years

years without any interruption. Half the amount of salary has therefore been entered as the amount of Proposed Pension"

It is observed, however that the rejection of this period will not in any way affect the amount of pension which will otherwise become admissible to the applicant, as he will still have over 25 years qualifying superior service.
