Enclosure.
Letter No. 17 of
30th Ultimo and its
enclosure (Memorial
of M. Govinda Row)
to the Chief Secretary.

To

His Excellency The Right Honourable
The Governor in Council
Fort St. George.

The humble Memorial of W. Govinda Rao,
late Head Clerk of the District Moonsiff's Court,
Pennaconda (Bellary District).

Most Respectfully Sheweth.

That Memorialist was entertained as 4th clerk
on Rs 5 in the District Moonsiff's Court, Halliandrug
in July 1853 and he gradually rose to the post of Head
Clerk of that Court in 1862. During the long period
of his 31 years' service, Memorialist was faithfully
discharging the responsible and onerous duties en-
trusted to him, with great assiduity and diligence
rendering entire satisfaction to his superior Officers.

That when the Revision of the Judicial Establish-
ment came into force in April 1849, Memorialist
got an increase of pay on the revised scale and
performed the duties of Head Clerk till August
1884. In order to make room for those thrown out
of employ, by the reduction of the Adoni District
Moonsiff's Court, the Memorialist on the ground of
old age, was ordered to retire.

The Memorialist begs to state, that, though he
has served the Government for the full extent of
30 years and more, he is recommended for Rs. 13
and odd (a third of his pay) as pension under the
present rules of the Financial Code, on the ground
that his service in the earlier part of his career for
9 years, was in appointments under Rs. 10. But he
further begs to submit, that though the pay
of the several appointments, the Memorialist
held

held during the said 9 years was below Rs. 10,
yet the Memorialist really performed the same
functions which the Clerks on Rs. 14½ now perform.

The Memorialist most earnestly solicits
to bring to your Excellency's kind consideration,
that he is encumbered with a large family,
that he spent all the best part of his life in the
Government Service, that he is unable to take
up any calling by reason of old age and that
he has therefore no means of livelihood except
the scanty subsistence allowance he would
receive in the shape of pension, with which he
shall have to put up with great distress as
it will be hardly sufficient to maintain
himself during the declining period of his life.

The Memorialist, under the above Circum-
stances, most respectfully prays that he
may be granted a pension amounting to
half his pay by sanctioning to include his
9 years of service (considered inferior under
the present rules) to count towards pension
and he further begs to state that such
concession has been granted by the Madras
Government and by ~~the Government~~ ^{my} ~~of the~~ ^{gov}
Secretary of State for India, in favour
of many a person who were drawing a lesser
pay than Rs. 10, but who really performed
the valuable and responsible services
of a Clerk of superior designation. The
usual application for pension and
the Service Register of the Memorialist
have been forwarded by the District
Judge for sanction of your Excellency's
Government.

For this act of kindness and generosity
