Financial. The services of the applicant were dispensed with
with effect from 1st April 1884. It has been found impossible
to provide suitable employment for him. The total average
cost per year on account of establishment amounted to Rs. 2440.
while the probable payments to be made to the Contractor of
the printing work will come to Rs. 2700; thus a saving of Rs. 760
is expected. The applicant was sent to the District Medical and Sanitary
officer with a view to ascertain whether he has got proper prospects
of life, as required by Section 103, rule 3. He reported he has. Copy of his letter
is not sent herewith as the above rule has been cancelled by Governor's
order of India notification published at page 219 of the India Gazette
dated 31st May 1884. The service claimed has been established and
should be admitted. The applicant's service register and last pay certificate
accompany. As it was to be awaited to see if any appointment
could be secured for him, there was some delay in the submission
of this application.
The applicant is not entitled to any gratuity, as he has not
sufficiently qualifying service, as required by Section 121(a) of the Civil
Service Code. As it, however, stands with the Local Government to
dispose of the claim, this application is submitted.*
