From W. DONALD, Esq., Officiating Accountant-General, to the Chief Secretary to Government, dated Fort St. George, 4th November 1884, No. I.A.E.-329.

With reference to the Proceedings of Government, No. 703, dated 18th October 1884, I have the honor to state that, if the Government are pleased to accept as sufficient for the purposes of the Civil Pension Code, the medical certificate of incapacity for further service furnished by the Travancore Government on behalf of Dr. S. Pulney Andy, there appears to be no objection to sanction being accorded for payment to the Travancore Government of Rs. 313-8-6 per annum, being the proportionate amount of pension due for Dr. Pulney Andy's services under the British Government, as stated in this office letter No. I.A.E.-171, dated 16th July last, embodied in G.O., No. 502, dated 30th idem.

2. The medical certificate received with the Proceedings of Government under acknowledgment is herewith returned.

ORDER—dated 4th December 1884, No. 1447, Pension.

His Excellency the Governor in Council is pleased to authorise the payment to the Travancore Government of Rs. 313-8-6 per annum, being the proportionate amount of pension due for Dr. Pulney Andy's services under this Government.

DECEMBER.

Dr. Pulney Andy.

Authorizing the Accountant-General to pay to the Travancore Government Rs. 313-8-6 per annum, being the proportionate amount of pension due to — for his services under this Government.

N^o 1641.

With reference to the Resident's letters to the Dewan, N^{os} 993 and 1061 of 15th and 30th ultimo I hereby certify that when Dr. Pulney Andy's application to retire on a pension was submitted to the Travancore Government with my letter, N^o 425 of 22nd April it was clearly my opinion that he had become physically unfit to perform efficiently the duties of Superintendent of Vaccination in Travancore.

2. As stated by Dr. Pulney Andy in his letter to me of April 21st he was "no longer strong enough to stand the continual travel required" of him "attended" as it was "with exposure to the inclemency of the weather, privations and malarious influences."

3. Under these circumstances Dr. Pulney Andy's retirement from the post of Superintendent of Vaccination was most desirable on public grounds, and as the Travancore Government were not in a position to employ him in any sedentary capacity no other course appeared to be open to me than to support his own request to be transferred

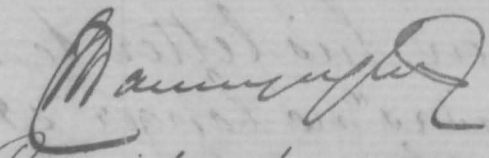

As

to the pension Establishment on
the ground of physical incapacity
for the efficient discharge of the
duties of his appointment.
