No. 46. ORDER THEREON, 8th May 1879, No. 1,322-A W.

WITH reference to Circular Memorandum No. 1,692, dated 7th May, and further instructions which have now been received from the Government of India, His Grace the Governor in Council directs that no new works estimated to cost more than Rupees 2,500 each, although sanctioned and entered in the ordinary budgets—Imperial or Provincial—shall be commenced without special sanction; also that all repairs—Imperial and Provincial—which can be deferred without injury to buildings or communications, even white-washing, unless under the requisition of a medical officer, shall be immediately postponed.

I have the honor to forward herewith, application for compensation gratuity on behalf of J. Arjannudu, Chaistty on the Imperial Petty Establishment, attached to the former Engole-Gunter Division included in the present Bellare Division, and to state that the great delay in the submission of the application has not been explained by the Executive Engineer. It is probably due to the applicant having come forward with his claim only recently.

2. This application was submitted by the Executive Engineer to the late Superintending Engineer of the 1st Circle, in which this Division was included, but was returned by him with his letter N^o 3219 of the 12th February 1881, as there were no orders then, granting pensions to the members of the Petty Establishment.

3. It is now submitted on the authority of G.O. N^o 1419 W. of the 7th June 1882, declaring that the post was pensionable.
