Most Respected Sir

I beg to state that under Government Order No. 306 of 25th April 1884 I observe that the total period of qualifying service, as verified by the Accountant General, is 29 years 6 months and 17 days and the deficiency to be condoned to entitle me to pension is 5 months and 13 days.

I further beg to state here that I was first appointed as a Revenue Peon in Rs 3 1/2 per month on the 4th Sept^r 1861 as per Vakid etc. etc. of the Collector of Chonglopatt and served as such both in Verapoor and Conjeevaram Taluqs for a period of more than 8 years. But the period of service I am sorry to say was not inserted in my Service Register and Register of Application for pension.

Including

Including the omitted periods of service the total period of service rendered to Government will be 34 years 6 months and 12 days & having served Government for nearly 40 years, my life is near its close and it will not be long that I will live to enjoy the pension that Government may grant me.

Under the above mentioned Circumstances I humbly request your honor will be so gracious as to condone the deficiencies in my service and thus grant me a pension.

If my request cannot be granted without the sanction of Government of India I beg respectfully that you will be so good as to forward this my petition to the Government of India for their order with your recommendation.

Goundar Naider late a peon of the Custom House praying for pension in lieu of gratuity sanctioned by Govt. in their Order No 306 dated 25 April 1884, I have the honor to report that prior to the submission of the petitioner's application for pension the Collector of Chingleput had been asked to furnish a history of the petitioner's service in the Chingleput District and where

he was first employed. In the list forwarded by that officer petitioners service was shown as beginning from 18 June 1853, and it was accordingly so entered in the Pension application.

2 On receipt of the Endorsement from Government under report the Collector of Chinghaput was again addressed regarding the petitioners service prior to June 1853. A list received from that office is submitted in original for the information of Government, from which it would appear that the petitioner entered the service on the 1st September 1846 continued up to 31st March 1847, and was dismissed on the 1st April 1847 for not attending office on the proper date after the expiration of leave

he had taken. It will thus be seen that there was a break of 6 yrs. 2 months and 17 days between the date of dismissal and the date of re-entertainment (18 June 1853)

In order.

In raising this man a
petition, the Govt. ordered
an inspection of 1 year
& 24 days in his service
but was unable to make
124 to order a defining
of 5 and 13 days for
pension. The maximum
under the section is 3
months. But if an
officer spends his whole
life in service, he should
be pensioned at qualifying
for pension, Govt. may
order up to 12 months.
It now appears that

this has been used for
upwards of 6 years
from 1841 to 1847 when
he was dismissed for
misconduct and at
present he is still in
under the section though
the Govt. can order
the defining in his
2 years service. There
is a note.

The man's total service
is 35 years, the pension
under Act No. 11.
