No 54 Confidential report 19

I this day carefully examined 2nd Class Constable Joseph Kay No 294, and find that he is prematurely worn out and debilitated by Beriberi. He was admitted into hospital for treatment on the 2nd September last, on the expiration of the sick leave that was granted to him in Masulipatam. He appears to have derived no benefit by treatment; nor is it ever likely in my opinion that he will regain his health and strength so as to become an efficient police man. His age is by his own statement 44 years. and by appearance looks 48.

Under the above circumstances I accordingly grant him the usual disqualification Certificate

No 52 Confidential reports.

I this day carefully examined, 2nd Class Constable Shaik Ally No 140 and find that he is prematurely and permanently worn out from disease and general debility. He was admitted under treatment on the 11th May 1884 for Rheumatism and Dyspepsia, from which, he made little improvement, and was granted two months sick leave on the 12th June 84. On the 14th August, on the expiration of his leave, he returned having made no improvement and was granted a further extension of one month sick leave. On the 19th September he again returned without any improvement in his general health; but on the contrary was very much debilitated from occasional attacks of low fever and is still in the same condition; from which I am of opinion he will never recover so as to become an efficient police man. His age is by his own statement 47 years but by appearance looks older, viz 50. I accordingly grant him the usual disqualification Certificate.
