No 563. 2d June 1845.

With reference to my orders the 1st Daffadar Venkatasami communicated to the Attavanai peon of the Taluk, Chikka Naiken, that ryots not having presented themselves during the distribution of puttahs, he should proceed to the Village of Periapatti and produce the Monegars and ryots at 10 A. M. tomorrow without fail. In my presence he refused to go and said that a substitute might be kept if required. I told the Daffadar that such a person should be deputed to convey tappal and a Tappal peon, if smart, allowed to assist in procuring the production of the ryots for the present. Both the Daffadars informed me that the peon told them that he would go to Periapatti and produce the Monegars and ryots.

A

This evening at 6 P.M. I sent him with strict orders that he should produce the ryots without fail and that if he failed to do so, he would be reported to your honor for dismissal. Again at 7 P.M. the said Chikka Naiken returned to the cutcherry, gave his belt to the Daffadar Abd-ul-qadir in my presence and said that he did not want the post of a peon and that I used unbecoming language towards him. I asked him to give a deposition showing the unbecoming language used by me. He refused to give it. Since he has delivered his belt and went away. I beg to enclose two depositions given by the Daffadars on the subject. Looking to the manner in which the peons of this Taluk, who are ill paid, conduct themselves, I often advised them that they should no longer act in

such a manner. I deputed the peon to go on an emergent errand when your honor has visited the Taluk. Regardless of the same he threw down his belt and went away. I request that in his case such orders as your honor may think proper may be issued. The two Daffadars state that the peon is in the habit of drinking at any time when sick; that he might have thus acted through intoxication and that his faults have hitherto been pardoned on the ground of his smartness. Pardon in this case depends upon your honor.

To

G. L. Morris Esquire
Actg. Sub Collector, Coimbatore -

I have been discharging the Circar duties up to 20th April 1856. There are two Duffedars in this Taluq, of whom one accompanies the remittance every month from November to June according to turn, while the other remains with me at Cusbah and during the time of Enquiries, and accompanies me to villages when on circuit. It so happens that none of the Duffedars remain at Cusbah for some days - With a view to superintend the peons guarding the Treasury and to look after now and then the persons in as well as the sundry articles in custody in the Cutchery, Annama Naicken, a smart and honest peon was employed to do the duty of a Lance Naigue and a badge bearing the inscription "Lance Naigue" allowed him. He has been doing the duty for the last 6 months. The Duffedar Madar Khan and the peon Chicka Naicken and 5 others have now been deputed to accompany the remittance of Panguni (March) kist to Coimbatore. Yesterday evening the said Chicka Naicken and Pollachi Venkata Naicken came to me and requested that one of the gunny bags in the Cutchery might be spared to them in order that they might fill it with rice which they had purchased here for their use, as rice is too dear at Coimbatore. The Lance Naigue gave them one with my permission. Cicka Naicken quarrelled with him with loud noise in my presence. On my asking Chicka Naicken as to the cause of his quarrel, he loudly said without fear that 4 or 5 Tahsildars have been appointed after his arrival in this Taluq; that he possesses No Superiority by wearing this brass badge; that if he loses his post he would carry on his livelihood by cooly labour; that he drank for 6 pies; that he is in the habit of drinking once a month or fortnight; and that he would petition to the Collector direct as he accompanies the remittance. A perusal of the Mahazur given by those who were present and knew the matter, as well as the Deposition of Chicka Naicken will show his conduct. In October 1855 he was fined one Rupee with reference to Police Order No. 92. He has not however retrieved his bad conduct. He often drinks, neglects the Circar duties through intoxication and acts irregularly. With a view to admonish him I request that he may be ordered to be suspended for 6 months this time. By doing so I think that he will perform the Circar duties properly in future and with fear and that it will tend to induce the other peons to discharge their duties properly.

I beg to enclose a Mahazurnama and a Deposition for your perusal. I shall abide by such orders as may be issued on the subject.
