The Right Honourable The Governor
in Council

The Memorial of J. A. M. Gyarudayano
Mlai, Retired Second class Inspector
of Police Trinenelly District now
residing at Poonamallee

Humbly Sheweth:-

That, as a particular matter of incompa-

rably more recent and important point than
what was mentioned in any of his previous Memorials
se, Your Excellency's humble Memorialist regrets
to learn that two years and one month's of his
Superior Service in D.P.W. as particularized in
the margin, * was wrongly entered in the Pension
application as temporary service, against the Public
official Register granted by D.P.W., and also
against the last verification Certificate of
Service furnished to the Superintendent of
Police by the Superintending Engineer. The
Memorialist was also obliged to err, owing to a
faint recollection of a fact of such a long standing
as 27 years. The Memorialist's pensionable
Service, as it is now known, is 25 years, 10 months & 13 days,
against 23 years 9 months & 13 days as mentioned
in the Government Pension Order No. 1096 dated
12th November 1883. In verification of this
Statement, the two particular public records
above quoted and attached to the Pension Roll
by the Superintendent of Police must be kindly

referred to, and if necessary, Enquiry also ordered
to be instituted. 3 V

2 While on leave from Gymastaship
in the Nammlam District Munsiff's Court Sanjore Dy,
the Memorialist was employed as a Writer and
Accountant on the Trunk bottom Road in the Civil
Engineering Department, as above mentioned.

3 The Memorialist humbly trusts
that he cannot be in any way made a reason-
able sufferer, on account of such a period of his
pensionable service being so left out. The
Memorialist has rendered 10 months and 13 days
service over 25 years pensionable service, ^{required} as he
is now obliged to believe.

The Memorialist therefore
humbly solicits for the kind and due
consideration and notice of Government
in regard to the very remarkable points
quite recent and important as above men-
tioned and in connection with his Memorial to
Government dated 21st January 1884, for an
increased rate of Pension &c.

For this act of charity, the
Memorialist shall, as in duty bound, ever pray.
