CERTIFICATE AND REPORT OF ACCOUNTANT-GENERAL.

Certified that (subject to the remarks below recorded) qualifying service in inferior superior grades has been duly proved for 25 years 12 months and 4 days; and that as provided in Section 26-11-14, the applicant is admissible under Section 102 (104) of the Civil Pension Code. The calculations have been duly verified.

It is observed that the applicant was declared by the Medical Board to be permanently incapacitated for further service on the 22 December 1903, but he was not removed from his appointment until 17 January 1904. In the absence of Special Orders of Government sanctioning his retention, this office has considered it proper to reject his service qualifying for the period of service claimed after date of the Medical Certificate, but this rejection does not affect the amount of pension which the applicant would otherwise be entitled to.

It is further observed that from the amounts entered opposite to his in the 3rd page of the application it is not clear whether the character and past conduct of the applicant was good or bad. In the absence of any unfavorable acts, this office has presumed that the applicant was good and that the entry is in favor of him. It is the duty of this office to certify the service of the applicant.
