PENSION DEPARTMENT.

Read—again G.O., dated 30th May 1883, No. 464, Pension.

Read—also the following paper :—

From the Superintending Engineer, I Circle, to the Chief Engineer, Public Works department, dated Dowlaishweram, 5th January 1884, No. 3025-G.D.

With reference to your No. 2114-C, dated 2nd November 1883, I have the honor to state that the discharge of M. Venkata Reddy so shortly before his becoming entitled to a pension arose from a mistake on my part.

2. The man was upwards of 60 years of age, and in a letter on the subject to me the divisional officer said "he has served Government for 40 years off and on, but that of this period only 14 years and 2 months counts towards pension." I ought to have seen from the rest of the letter and the man's service register that of this there were some months inferior service, and that the whole 14 years and 2 months did not count for service, but this escaped me, and being guided by G.O., No. 539, Financial department, dated 12th March 1880, I ordered papers for pension to be sent in directly he has completed 15 years' service, that is in 10 months' (not 1 year and 10 months) time.

3. I trust it may be possible to grant the man the pension that he would have got if I had not made the mistake.

No. 148-C.

Transferred to the Pension department, with recommendation that, in consideration of the petitioner's long total service, the deficiency of 9 months and 21 days may be condoned and the gratuity already granted be commuted to a one-third pension.

To

The Right Honorable the Governor
in Council Fort St George
Madras.

The humble petition of Menta Venkatareddy late Lock Superintendent of Marter, Western Dn Godavery Distt who Served in the Department for 16 yrs from 11th October 1866 to 31st Decr 1882. and was given a gratuity of Rs 144. instead of Pension.

My Lord,

1 I most humbly and respectfully beg to inform your Lordship that from 1839 to 1849 I was Serving in the Revenue Dpt., and again while from 1850 to 1858 Serving in the D.P.W. in the Districts of Cadapah and Godavery, I had to resign my post on the 6th of April 1858 having been attacked with illness. That I again entering into Public Service in the D.P.W. in this District, had been Serving Continually for 16 years from 1866 to December 1882 when I was ordered to retire by J. E. Paul Esqr the Range officer who, without having sent an account of my Service to the Examiner at Madras for verification, promised to recommend me to the Government for 1/3 pension which was to commence from the 1st of January 1883. And that in obedience to the

the Range officer's order No 312 of 22nd Decr 1882 I retired on the 31st of December 1882 with the full hopes of obtaining pension.

2 That on the verification of the Examiner at Madras, my Service was found to have fallen short by 9 months 21 days to make me entitled for 1/3 pension. That instead of being kept in Service according to pension Code for 9 months and 21 days longer, I was ordered to retire. That after retering, I who had been fully hoping for pension, was unfortunatly offered only a Gratuity of Rs 144, which in obedience to Government order No 464 of 30th may 1883, and according to the order of the Range officer, received on the 21st August 1883 and deposit with me.

3 I had never applied for pension nor hadI been declared unfit (i.e. for Service by the Doctor. That on the 20th july 1882 I was certified by the late Zilla Surgeon that I could serve longer. That these several recommendations prove my physical fitness for a further service of 9 months and 21 days at least. That in November 1882 before I was ordered to retire, I was strongly recommended to B. H. Young Esq. Sub Divl officer by my immediate Superior Vinnakota Subrayudu garu Delta Superintendent of Master Section,

who

who remarked that I was able to serve longer, and that no other Lock Supdt could carry on business so well and efficiently as I could. That the Sub-Divisional officer strongly recommended me to the Range officer to keep me longer in Service.——

4 I beg that your Lordship will be pleased to reffer to the under-mentioned 11 papers which are to be had from the office of either the Range officer or of the Sub Divl officer, and also to the 12 papers (Copies of Testimonials, orders &c) which I herein enclose for your Lordship's perusal.——

5 I humbly beg that your Lordship will be pleased to consider the Range officer's order which assured me of pension (a copy of which is herein enclosed) and to have the sum of Rs 1.4.4. refunded to the Governmen granting me 1/3rd pension (i.e Rs 4 As 2 Ps 6 per mensum) according to the proposal of the Examiner or by taking me again into Service till it is completed i.e for a period of 9 months 21 days.——

6 I humbly beg that your Lordship will be gracious enough to grant me pension, as I your Lordship's poor humble Servant who have no other means of lively-hood and whose family from 1881 have

have led a decent life either by Government Service, or by some decent Service under high European Govt. officers, can not maintain myself by the gratuity Rs 144, as long as I live

1. Certificate from the District Surgeon, of the 20th July 1880.
2 Recommendations from B. H. Young Esqr. and Vinnakota Subrayudu garu Delta Supdt., of the months of November and December 1882 the fixed date being unknown.
1 My Registered petition dated 27th Dec/82 to B. H. Young Esqr. requesting to recommend me to the higher authorities
7 Orders from the different superiors regarding my Service, which were taken into the Divisional office to be compared with my Service book on the order No 331 of the 17th Feby 1883.

The above 11 papers are in the Divisional office and Sub Divisional office

The petitioner was advised by the Supt. Engineer to retire under a mis-apprehension as explained in that officer's letter now transferred by P.W.D. — He has served Govt. for 43 years 9 months of which 29 years 6 months 21 days[x] is inferior or non-qualifying. The balance 14 years 2 mos. 9 days is qualifying superior service & for this he was given a gratuity of Rs. 144 whereas had he been allowed to serve 9 mos. & 21 days more he would have earned a pension of Rs. 4-2-6. He now asks that the deficiency may be condoned. There is no precedent for the condonation of so long a period of deficiency, but as the charge is provincial, Govt

The man resigned for the third time in 1858 & was out of employ till 1865, forfeiting all service prior to 1858. His previous service therefore ought not to be taken as a ground for condonation of the subsequent deficiency. He was dismissed once & resigned three times.
