Certified that I have carefully examined 2nd class constable
Muhammed Sillamou son of Abdool Khader
of the Kistna District Police Force—His age is by his own statement 53
years, and by appearance about 60 years. I consider Muhammed
Sillamou to be completely and permanently incapacitated for further
service of any kind in the Department to which he belongs in consequence of
old age & general debility

His incapacity does not appear to me to have been caused by irre-
gular or intemperate habits.

Acting Collector, District.

To,
The Superintendent of Police,
District.

Sir, Your letter no. 3 January 2, 1884.

From the Constable's affidavit which is the
only means of verifying his service
(Vide "Remarks" Column of the History
of Service) it appears that he had no
break in his service up to his transfer
on 5th December 1861 as "Police peon
Gudirada Talag." The service from then
up to 3rd May 1862 - the date of his
enlistment in the new Police - has been
verified from records.

His service does not seem to have
terminated

terminated here until he was made
a Constable.

The individual explains that as
he had been in service continuously
he was not paid any gratuity hitherto.

A gratuity or pension is usually
awarded only to a thrown out
^{of this department}
servant, who is not provided with
some appointment elsewhere.

I have the honor to be,

Sir

Your most obedient servant.
