This to certify that I have carefully examined 2nd CC. 1026
Tippiah - son of Ramasawmy - Nellore
Police Force

His age is by his own statement 30 years and by appearance about 30 years. I consider 2nd CC. 1026 Tippiah to be completely and permanently incapacitated for further service of any kind in the Department to which he belongs, in consequence of Chronic Syphilitic ulceration of leg.

Detailed Statement. Has 8 years' service. Was under treatment in the Police Hospital Ongole for 365 days during the last 18 months. The skin covering the lower half of right leg is indurated and consists mainly of dense cicatricial tissue in which there are several large indolent ulcers. Bears marks of acquired syphilis on genitals.

His incapacity does not appear to have been caused by irregular or intemperate habits. He has not been under general Medical treatment. Treated with Antisyphilitic remedies, tonics, alteratives & local applications.

(*by irregular habits, acquired systemic syphilis is to be understood).
