The Accountant General of Madras says that in the Annual Return for 1859 your pay is shown as Rs 35 and not Rs 31 as exhibited in your service book and that in the Returns of 1857 Rs 59 your name was shown as Muthukarappa Mudaly instead of Pillay that being the period you were in the Madras Town Police. Report at once on these differences.

Mil

Yes. I say so say that my pay in 1859 was Rs 35 as shown in the annual return of 1859 and my name from the very beginning of my service in the Govt has been Muthukarappa Pillai only and not Mudaly. Had I seen my service book at any time I would have then & there pointed out any entry differing from the real state of my

Supt Police

service in the Deptt, which I did not see at
any time. I therefore beg to say that I am
quite unaware of the fact which led to the entry
of my name as No 31 in the service book while I was
1833. I was in the ^{have been} Wisconsin Police from 1853

to 1859 and afterwards in the Missouri Police.
I do not know how the entry of Wendell my
in the years from 1857 to 1869 ^{only} guide as
against the entries as falling in the previous
or after years to the above period, since I was

I therefore believe that the entries my
No 31 in my service book and Wendell may
be clerical errors.

I beg to remain
