READ—also the following paper:—

From D. C. GORDON, Esq., Examiner of Public Works Accounts, to the Secretary to Government, Pension department, dated Madras, 9th February 1884, No. 818-X.

With reference to the Proceedings of Government in the Pension department, No. 542, dated the 26th June 1883, according sanction to the disbursement of a compensation gratuity of Rs. 120 to Teruvangada Mudaliar, late a maistry on the Imperial Petty establishment of the Presidency division, for a qualifying inferior service of 22 years 8 months and 21 days, I have the honor to forward, herewith, for the orders of Government, a memorial, in original, addressed by him to His Excellency the Governor in Council, representing that he was in continuous employ on the permanent establishment of Government from 20th March 1848, and requesting that, for reasons explained by him, he may be granted a pension admissible under the rules on a superior scale.

2. On a perusal of the report of this office on the gratuity application of Teruvengada Mudaliar, No. 798 A.R., dated 12th June 1883, it will be observed that the period of Teruvengada Mudaliar's qualifying service was considered to have commenced from 10th September 1856, as the Executive Engineer, Presidency division, and the Superintending Engineer, V Circle, from whom the gratuity application was received in this office for disposal, did not at the time make any mention of his services from 1848 to 1856. A copy of this office letter, No. 299 S.E., 5th, dated 24th August 1883, to the Superintending Engineer, V Circle, on the subject, together with the latter officer's reply, are forwarded for the information of Government.

3. The applicant states that he was a measurement maistry on a salary of Rs. 17-8-0 per mensem from 20th March 1848 to 9th September 1856, and has submitted an affidavit in support. The Accountant-General, Madras, who was requested to cause the applicant's services for the period to be verified from the records of his office, states that Teruvangada Mudaliar's name does not appear in the annual returns of the years 1848 to 1855, but that the name of one Teruvengadum appears in the return for the year 1856, the date of appointment being shown therein as September 1856. His letter on the subject, together with copies of correspondence as per margin, are enclosed.

This office letter, No. 299, S.E. 5th, dated 24th August 1853.
This office letter, No. 471, S.E. 5th, and 270 P., dated 1st December 1883.
Letter from the Superintending Engineer, V Circle, No. 3021, dated 22nd November 1883, with enclosures (3).
Letter from the Accountant-General, Madras, No. 1 A.E.-290, dated 12th December 1883, with enclosure (1).
Letter from the Superintending Engineer, V Circle, dated 23rd January 1884, No. 3682, with enclosure (1).

4. Should Government, under the above circumstances, feel disposed to treat the period of the applicant's services from 20th March 1848 to 9th September 1856 as qualifying, he will have rendered a qualifying inferior service of 31 years 2 months

and 11 days, and a compensation pension, not exceeding Rs. 4 per mensem, would be admissible with effect from 1st June 1879 under sections 100 and 117 (*b*) of the Civil Pension Code.

5. In the event of the pension, shown above, as admissible, being sanctioned by Government, the applicant should be called upon to refund the gratuity of Rs. 120 sanctioned for him in the orders of Government quoted in paragraph 1.

6. The compensation pension, if sanctioned, is chargeable to General now Provincial revenues.

ORDER—dated 17th March 1884, No. 235, Pension.

In supersession of the Government order read above, the Right Honorable the Governor in Council is pleased, under sections 100, 117 (*b*), and 118 of the Civil Pension Code, to grant to Teruvengada Mudali, late bricklayer maistry, Imperial Petty establishment, Presidency division, a compensation pension of Rs. (4) four per mensem, payable at Madras from 1st June 1879, in consideration of his qualifying combined superior and inferior service of 31 years 2 months and 11 days.

2. Of the above service only 22 years 8 months and 21 days have been verified from records. The Government, however, are pleased to accept the affidavit of the applicant, supported by the evidence of contemporaries, submitted in support of the applicant, as to his service from 20th March 1848 to 9th September 1856.

3. If the gratuity of Rs. 120, sanctioned in G.O., 26th June 1883, No. 542, has been paid, the Accountant-General will recover the same in disbursing the arrears of pension due to the applicant.

Executive Engineer, Presidency Divn

Humbly sheweth

With due respect and profd. and submission I beg to lay out my grievances and claims for reconsideration and favorable disposal.

I was employed in different Capacities as Maistry from 20 March 1848 to 31st May 1879 and unfortunately granted Gratuity of Rs 120 vide G O No. 542 dated 26 June 83 Communicated to me with your No 2145 dated 6 July 83. In which I noticed that my services were Calculated to 22 yrs 8 months & 21 days which evident, wrong because I mentioned my first application to the Executive Engineer that my services Commenced from 20 March 1848. The Division Office records will Convince and prove that I was engaged on Field duties to take measurement of works done and take out sketches in the morning and in the noon assisted the draughtsmen in the Office arithmetically and scientifically Since my services were dispensed with from 1st June 1879 I had undergone many difficulties to maintain myself and family because I turned out very old to look after any work and I am still in distress. The Gratuity now granted to me would be of no use which will be taken away by my Creditors for debts incurred already for want of means. In doing me good I would ask you to move the Government to grant me pension as was done to other men of my stamp who fortunately got it and thus to protect me in my old age to live upon for few years more otherwise I will be deprived of and will have to die soon for want of means though I served to Government for so many years.

For which act of kindness and Charity I shall ever feel highly thankful

The Governor of Madras
Through The Executive Engineer Presidency Dn

My Lord

I beg respectfully to bring to your Excellency's worthy notice that I was employed in different capacities as Maistry, Sub. Overseer 3. Class Talug Maistry and measurement Maistry on Imperial Petty Establishment especially engaged in assisting the Draughtsmen of the Division Office at Madras for a period of 31 years 2 Months and 12 days. Although I was very willing to serve some years more still I was compelled to retire on 31st May 1879 owing to late reduction in the P.W. D.

The District Engineer Presidency Division submitted my application and other papers in connection with it to Government through the Examiner of Public Works Accounts requesting that the service therein specified be treated as Superior. The Examiner under the recent Order of Government viewed my service as Inferior and recommended a Gratuity of Rs 120, the maximum allowable to inferior class of servant. The Government in their Order No 522 dated 26 June 1883 sanctioned the same amount and recognized my total period of service as 22 Years 8 Months and 21 days and not 31 years 2 Months and 12 days as ought to be.

With reference to the above I humbly beg to submit that

I I entered the service of Government on 20 March 1848 and Continuously served up to 31st May 1879 the date on which my service was dispensed with owing to the abolitition and I enjoyed no leave of any kind during my tenure of service. I was also prepared to tender affidavit supported by Contemporary employees for the period from 20 March 1848 to 9th September 1856. The records of the District Engineer Presidency Division Contain a statement of my service from 10 September 1856 and the records for period prior to that date not being found in that Office

II Maistries in the Public Works Department were of different kinds Carpenter. Maistries Brick layer Maistries and Maistries over gangs of workmen &c Some were engaged in mere Supervising gangs of workmen employed in the construction and repairs and others such as those attached to the District Engineer Office. Presidency Division and who were also engaged in duties of Superior Character and quite different from those who were engaged merely to supervise gangs of workmen the appointment I held was of latter kind my duties were planing estimating, surveying Calculating and doing such other things that require more mental work than mere Supervision. The District Engineer Presidency Division in his letter No. 6y by dated 18 March 1875 described the nature of duties of Maistries attached to his Office and the Government in their Order No. 279 dated 10 May 1876 treated the service referred to, as superior and granted half pension to one Subaroya Pillai my Contemporary employee. The recent Order of Government regarding Maistries cannot therefore be held applicable to an appointment which was already decided as Superior depriving the holder of such an appointment of his cherished hope of getting pension on Superior Scale

---

by giving effect to an Order passed nearly two yea after the date of retirement. The Government have already given concession to some Cases and grante pension on Superior Scale.

Under the circumstances stated above I humbl request that your honor will be graciously pleased to re consider my deplorable Case and grant me pension on Superior Scale.

With reference to your letter No. 270 P dated the 1st Instant, I have the honor to inform you that the Service of Tiruvengadam Mudali as particularized in the above letter, cannot be verified, as neither the name of Tiruvengadam Mudali nor his appointment as "Measurement Maistry" on pay of Rs 17-8-0 per month is traceable in the Annual Returns of 1st May of the years from 1848 to 1855.

2. In the Annual Return of 1st May 1856, however, the name of one Tiruvengadam as Maistry on pay of Rs 17-8-0 a month, appears in the Establishment of the Superintending Engineer Presidency the date of appointment being shown as September 1856. It is not clear whether this appointment falls under the category of

"Maramut

"Maranut Maistries" of the P. W. Department. If it was so, the services rendered in it might be regarded as pensionable on the superior scale.
