24TH MARCH 1884, No. 257, PENSION.

GOVERNMENT OF MADRAS.
PENSION DEPARTMENT.

READ—the following paper :—

From Major S. C. CLARKE, R.E., Officiating Superintending Engineer, III Circle, to the Examiner, Public Works Accounts, dated Bellary, 30th January 1884, No. 2936.

With reference to your letter, No. 211-S.E. III, dated 1st November 1883, I have the honor to request you will be so good as to let me know whether the members of the Imperial Petty establishment are entitled to 3 months' pay in lieu of notice, under section 100, clause 2, of the Civil Pension Code, as claims have now been preferred for the same by some of the members.

2. It appears that the usual notice was not given to these men, as their services were regarded as temporary, when they were thrown out of employment at the time of the general reduction in 1880.

No. 895-S.E. III.

Endorsement on the above.

Forwarded in original (to be returned) to the Secretary to Government, Pension department.

2. Previous to the issue of the orders of the Government of India, communicated with G.O., No. 406 W., dated 15th February 1881, the status of the members of the Imperial Petty establishment of this presidency was considered temporary. The prescribed notice of 3 months was, therefore, not given to this class of establishment previous to their services being dispensed with, on reduction of establishment ordered by Government.

3. It is for Government now to decide whether pay in lieu of notice should now be granted to members of the Imperial Petty establishment.

MADRAS,
7th February 1884.

(Signed) D. C. GORDON,
Examiner, Public Works Accounts.

ORDER—dated 24th March 1884, No. 257, Pension.

The Government in the Pension department are of opinion that pay in lieu of notice should now be granted in the cases referred to.

The confirmation of the H.S. int.
to P.W. G.O. No. 14 Jan 76 may
properly take effect from that
date. It was withheld in the first
instance owing to misapprehension.

I submit that the question is to
be decided whether or not what
their status was in 1880, and what
it was subsequently declared to be.
In 1880, the order of 1876 stood can-
celled, the establishments were ruled
by the Govt. of India to be temporary
and they were not entitled to notice.

By G.O. 14 Jan. 1876. No. 70. W.
Govt. declared members of
the Imperial Petty Establishment
entitled to pension. This was
submitted to India for confirma-
tion and some correspondence ensued,
in which the impression was
conveyed to the Govt. of India that
the establishment was tempo-
rary and was awaiting reorga-
nization. They "presumed"
therefore that the G.O. of 1876
must be regarded as cancelled.
The question arose again in 1880
and Govt. directed that certain
local concerns should be
considered entitled to pension
pending reference to India. Re-
ference was then made, in which
it was pointed out that the
establishment was not tempo-
rary and that the G.O. of 1876
should be upheld. Meanwhile
the reductions of 1880 were
carried out to which the Ex.
refers & as the establishment
had not been ^{finally} declared to be
entitled to pension, the usual
notice was not given to them.
The reply of India was received
in Feb. 1881, confirming the order
of 1876. Submitted that
under these circumstances
the establishments disposed
with are clearly entitled
